Tee Times

- ✓ When you book a Green Team tee time and you are not able to keep that reservation, call the golf course to cancel.
- ✓ It is the responsibility of each Green Team golfer to confirm their own tee time(s) whether they receive a confirming email or not. Go to your itinerary on your portal account or call the golf course the day before. If you do not have a portal account, please set one up.
- ✓ Players must arrive on time. Green Team players are expected to arrive at the golf course and check-in at the Green Team table inside the pro shop thirty (30) minutes prior to their tee time.

An interesting Golf Fact you haven't heard before:

"Most Golfers Will Never Have a Handicap Under 18"

Most professional golfers play to handicaps of 4 and 6, and that's before they enter the professional ranks. Unfortunately, not all golfers are this gifted. The vast majority of golfers will not play to a handicap under 18.

Does this mean you're a bad golfer? Absolutely not! Most golfers are only hobby players. To get your score below 18, you have to be serious about playing and practicing".
