III. SCW Golf Info

➤ New Motorized Golf Cart Rules

To read the New Motorized Golf Cart Rules, go to suncitywest.com, click on "GOLF" above the picture and under the picture to the right is a button which will take you to the new rules.

You can also read the new rules on June 8th's eNews.

➤ Golf Etiquette Rules

Golf Operations shares "14 Rules of Golf Etiquette You Are Probably Breaking" in the June 8th eNews, which is definitely worth reading.

Also definitely worth reading, and actually a MUST READ for all Green Team members are the two (2) documents on the SCW website on the Green Team page: "Ready Play/Golf Cart Etiquette" and "GT Etiquette Basics." If you have not read them, you must, and if you have, it is a good idea to review them on a periodic basis.

IV. Green Team

➤ Reminders

- Members must arrive thirty (30) minutes prior to their tee time. This allows for early start times when the Starter can call you out early, allows for all players in your group to take care of cart assignments (who is riding with who, etc.), and Green Team to rearrange players if needed.
- If you reserve an 18-hole tee time, please remember you must pay for an 18-hole tee time. Do we make exceptions? Yes, but on an as needed basis and arrangements are made prior to day of play.
- **Under no circumstances are players allowed to drive golf carts between the green and a bunker! Golf carts are to remain 30 feet away from the green. Players with a medical flag can drive 15 feet closer, but not on the green or between bunkers.**
- Be cautious when removing the flag from the hole and replacing it back in the hole so as not to damage the perimeter of the hole.
- Only one practice shot is allowed.
- Do not spend more than a couple of minutes looking for lost balls.
- If your ball goes in the water, your next shot is from the "drop zone."

- All players are to go “on deck” either when the starter calls you “on deck” or when the tee time prior to yours is called to the tee box. Remember, do NOT proceed to the tee box from “on deck” until the starter calls you to the tee box.

Fun-Facts About Golf

“#5) Golf Was Played on The Moon

Golf is one of the two only sports to be played on the moon. On February 6, 1967 Alan Bartlett “Al” Shepard, Jr. performed a one-handed swing with a six-iron, sending the ball flying through the moon’s low-gravity atmosphere. And in case you were wondering, javelin is the other sport that was reportedly played on the moon.”

Important Dates to Remember

Tuesday, June 14 is National Flag Day. This “holiday commemorates the date in 1777 when the United States approved the design for its first national flag.”

Sunday, June 19 is Father’s Day.

Green Team will celebrate Father’s Day with Challenge Questions for all our male players only!

Happy golfing!
