IV. Green Team

➤ **Volunteers**

A huge thank you to **Gayle Terjeson** and **Mike Ward**. They will continue to be our Saturday Volunteers for this Saturday July 30 at Stardust. Be sure to check-in at the Green Team table prior to checking in with the starter and give the volunteers your tee time so they can quickly find you on the tee sheet.

➤ **Reminders**

Please arrive at the golf course thirty (30) minutes prior to your tee time. Many are cutting it close, and this will delay teeing off as a group.

➤ **July Clinics**

The Green Team is fortunate that the RCSCW PGA Pros are willing to instruct clinics for us during the summer. If there is not a minimum number registered for a clinic, that clinic will be cancelled. We know it is hot out there, which is why they are scheduling the clinics at 8:00 a.m. until 9:00 a.m. Please take advantage of these clinics to learn from a PGA Pro for a nominal fee of \$10 and the Saturday clinics are free.

➤ **August Clinics**

This schedule will be out soon. Look for the email!

➤ Upcoming Event

We have a fun event coming in September – look for the exciting details in newsletters to come!

V. “Astonishing but True Golf Facts” by Allan Zullo
Per edition published 2002

Amazing Shots and Rounds:

“Four Aberdeen University students tried to golf their way up Scotland’s 4,406-foot Mount Ben Nevis in 1961, but had to concede victory to the mountain. After losing 63 balls and using 659 strokes, they retired.”

Please remember to stay hydrated when playing golf or any other outdoor activity – it is hot out there!

Happy golfing and be smart in the heat!
