A look at what April brings us

What are you looking forward to in April? Let's take a look at where we stand for the year.

The RR&Ps are finally done. Clubs have adjusted their tax status as needed Sue Fitzsimons and are working on modifying their club

bylaws. The sign-in cardreader system is functioning to monitor attendance. The del Sol Art Gallery at PORA is open for independent artist business.

The Metal Shop is now open after a long closure and a sizeable addition. No longer is the building attached to the car wash next door. Summer dates are set for upgrades to the Beardsley pool, spa and entrance enclosure. The Men's Club is looking ahead to new interior paint and flooring in May. (Find capital project updates at suncitywest.com/

President

capitalprojects.)

Lizard Acres is going strong with plenty of resident use and a variety of entertainment events. Residents are happy to attend the multiple social events provided. By March 28, we will know who our newly

elected Board members are, and they will begin their work July 1. In April, the Board will elect their new leadership.

TORCH participants graduate March 31. It's so nice to see the Citizens Academy back up and running after a hiatus due to COVID. Most Board committees have concluded their policy work for the year.

Plans for turf reduction have been shared with affected residents on Grandview Golf Course. The replacement irrigation project for Grandview is on target to move into year two. (Check the website

suncitywest.com/gvirrigation).

The Greenhouse at Beardsley is on its way to completion with an exciting new Botanical Garden planned by the club. The Environmental Services building next to the Social Hall is in process to move the workers out of a container shipping box. Renovation of the former Village Store space into a meeting room and CC&R department space is in the preparation stages.

The budget will be presented in April. I encourage you to attend or listen to the forums on April 27 or 28. No large builds are planned for 22-23 since most funds will be used for the irrigation replacement at Grandview.

We move ahead making Sun City West a better place. The worst of COVID is hopefully behind us and we can all enjoy time with our friends again.

Member credits have variety of uses

Did you know that member credit has many different uses? Not only can it be used to pay for guest fees, green fees and other items at golf courses, it can be used as a holding account for Owner Member dues. Owner Members can make voluntary deposits to their member credit to accumulate money to pay dues for the upcoming year. Voluntary deposits amounts can be specified by the Owner Member. At time of due date, the Owner Member will need to contact Member Services and give authorization to transfer money from member credit and apply it to dues.

What to know as an heir to a Sun City West home

One's demise is not a subject we like or want to talk about. However, we all know it is inevitable. As stressful a time as it is can be, we want to ensure residents are aware of the policies regarding owner member annual fees, property sales, transfers, and changes to deeds.

If there are two owners on a property in Sun City West and one owner passes, policy states that a copy of the death certificate be provided to the Member Services office. This will allow the deceased's name to be removed from their property account, stopping any future invoicing for that member. It may also allow for a refund of owner member fees to the remaining owner. We suggest the Social Security number and cause of death be blacked out.

For those who are the sole owner on the property, a family/beneficiary should be informed that owner member fees must remain current until the property is sold or transferred. Member Services should be notified of the death, and the family's intent for the property. Member Services and the Property Title Analyst can provide information as to what will occur if the family decides to transfer or sell the property. Heirs/beneficiaries may receive a refund if the property sells within one year from the date of passing.

You can review policies Fi03 and Fi17 on the website www.suncitywest.com or contact Member Services for a copy.

For questions, please contact Member Services at 623-544-6100.

LECTURE SERIES

Come join us in the Lecture Hall of the R. H. Johnson Recreation Center on Wednesday, April 27, at 2 p.m. for the Friends of the R.H. Johnson Library lecture about The Evolution of an Icon — The History of Arizona Highways Magazine. Doors will open at 1:30pm. Free tickets for the event can be picked up from the checkout desk in the R. H. Johnson Library.

Arizona Highways magazine is approaching its 100th birthday. As mainstream national magazines continue to fail in the digital age, how has a publication that began as a brochure in the early 1920's continued to succeed for over nine decades? In this presentation, former Publisher Win Holden will share the compelling back story of this worldrenowned magazine and how it has not only survived but thrived using an unconventional business model incorporating licensing, retail, ancillary products and featuring worldclass landscape photographers. While owned by the State of Arizona and remaining part of

Win Holden

the Arizona Department of Transportation, the magazine receives no state funding support. It's a compelling and unorthodox story of a magazine that delivers over \$65 million in annual economic impact to the state by enchanting subscribers every month in all 50 states and 100 countries.

Win Holden was named the sixth Publisher of Arizona Highways Magazine in May 2000. The publication is recognized as one of the finest travel magazines in the world. The magazine has over 120,000 subscribers in all 50 states and 100 countries. As Publisher, Mr. Holden led a diverse group of businesses centered on the world-renowned magazine including licensing, book pubcalendars, lishing, commerce, new product development, product marketing and retailing. A Valley resident since 1980, Mr. Holden was recognized by the Arizona Office of Tourism and the Arizona Lodging and Tourism Association as their 2017 and 2018 Lifetime Award recipient and received the 2015 Lifetime Achievement Award from the Business Journal. He was the 2007 inductee into the Arizona Tourism Hall of Fame.

The discovery of this park was by David Gowan in 1877, a prospector who stumbled across the bridge as he was chased by Apaches. Gowan ended up claiming squatter's rights, and in 1898 he persuaded his nephew, David Gowan Goodfellow, to bring his family from Scotland and settle the land permanently. The Goodfellow's had to lower their possessions down the 500-foot slopes into the valley by ropes and burros. This 183foot bridge is beautiful from every angle, so don't forget your camera. Next, we are off to Fargo's Steakhouse in Payson for a delicious alfresco lunch on their beautiful patio. Join us for a fun day in the Tonto National Forest!

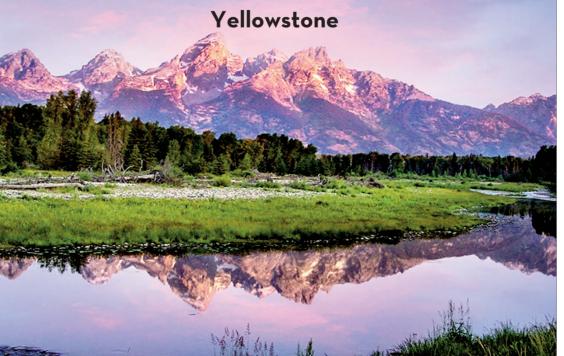

Cost is \$159 per person and includes: round-trip transportation; entrance fee to Tonto Natural Bridge State Park; lunch at Fargo's Steakhouse; tour guide; snacks and bottled water; driver and guide

you can choose to bowl or not. There is no firm time commitment. Bowl as your time and schedule work for you.

The BASCW sign up book is located on the table/display desk in the center of the bowling lanes. Payment envelopes are next to the book and can be put in the "payment mailbox" that abuts the desk.

We bowl a handicap No-Tap format, meaning nine or 10 pins down on the first ball is a strike. The cost to bowl is \$10 per member and \$11 for Sun City West resident guests. The fee covers the lineage and the payout to participating members. About half of the member bowlers will receive a payout of \$5 to \$10. Member bowlers can also participate in the "3-6-9 pot," the "300 pot" and the 50/50 raffle. If you want to participate in these activities, you must pay with the correct change.

BASCW (Bowling Club) invites all residents with a current rec card, no matter your bowling skill, to join us for an evening of fun every other Saturday. If you have not bowled for some time and want to get back in the game, this is a perfect opportunity. Handicapping levels the playing field and gives all participants a chance to win some prize money. Membership is \$10 per year. Membership forms are at the counter in the center of the bowling lanes.

LAWN BOWLS

Was it really five years ago that lawn bowls club member, Rocky Bria, suggested our club host a special pizzathemed all-club bowls Funday?

Yup, it was that long ago and, with the exception of 2021 when it was cancelled, the Johnson Lawn Bowls Club Pizza Bowl has been a club institution. February being the go-to month for scheduling, Feb. 20, was designated for this year.

Sign-up started early with enough players to field 26 pair teams filling 13 rinks. This simple but imaginative game consolidated all scores from Red teams and all scores from Green teams with assignments of 10, 12 or 14 ends to be played. While overall Green team garnered 135 points, Red team won stacking up a total of 141 points. What a close game! After posing for a team picture, each Red team member was given a small but very unique monetary prize.

Following game play, as is this club's habit, food was in order. With the club furnishing the pizza ordered from Ray's Pizza in Surprise, our members donated

a delicious assortment of sides and desserts. Appreciating the efforts of servers and clean-up, others including many new members volunteered making this event just the best. High new member participation proved again that the contributions of every member, novice and veteran alike, makes ours a club to be proud of.

While the Pizza Bowl now has a fiveyear history, this event will forever be remembered for instituting the first ever MVP award. Given to new member, Doug Troxell, for being able to knock the jack out of the rink during the final end, a monetary award was attached but the bragging rights - oh, those bragging rights!

LEATHER CARVERS

The Leather Club has had a great season this year. There have been recordbreaking numbers at their social events. They have offered many new, interesting classes all winter teaching a variety of topics dealing with the art of leather crafting. They have had constant new member classes and record breaking attendance in the club room. The leather workers meet at the Kuentz Center beginning at 8 a.m. Monday through Friday.

They have a library full of ideas and inspiration just waiting for members to create. And it's not just carving, they are braiding, painting, sewing and anything else we can imagine. Instructional classes have been held on lacing, braiding, air brushing, staining, and a variety of other skills.

Whether you are a beginner who wants to get started or an experienced carver who wants to learn a new skill, you will find what you are looking for. You will receive fundamental instruction and learn how to use the seven basic tools of the craft. The final series of new

member classes will in April. During the summer months many of the instructors will head north and the remaining teachers will enjoy a very well-earned break. The club is a great place to meet others who love the craft of leather working.

Members create projects such as handbags, wallets, phone cases, guitar straps, and much more. Everything from the simplest belts to the most detailed saddles and jewelry. Club tools, supplies and equipment are available for use. The club has purchased two different industrial sewing machines to meet the needs of any project. Current members offer years of experience and are always happy and available to exchange ideas, answer questions and assist with projects. The club has a variety of items and kits for sale to members - all that is required is your imagination!

Active club members receive discounts at some local stores by showing their current membership card. Handcrafted leather items make wonderful gifts for family and friends. You'll enjoy making projects you can use, give as gifts, or sell. You can also have something custom made if you like. The Leather Carvers have always taken part in the Fall and Spring Craft Fairs at R.H. Johnson and plan to continue selling at some local area craft sales and the del Sol Arts & Crafts Gallery. Several of the members sold items at the March 11 Sundome Plaza Arts & Crafts Show hosted by the Sundome Merchants. All Sun City West residents with a valid rec card are welcome to become members so please check out our web site: scwleathercarversclub.weebly.com or call 480-341-2057 for more informa-
