### COVID situation changing rapidly; get latest online

The COVID-19 situation in Arizona and Sun City West is changing rapidly – so much so, that it's impossible to keep up with the current status through the Rec Center News.

Our deadline falls well before this publication lands on your driveway. To demonstrate how quickly the situation changes, consider this: On the day this article was written – July 8 – Arizona had just gained the dubious distinction of having more positive COVID cases per capita than any other location on the globe. Sun City West had 174 cases, and only 145 ICU beds were available throughout the state.

Although we can't see into the future to know what the cases will look like when you get the Rec News at the end of July, we do know cases will be much higher and the situation at the hospitals will be critical. To compare the numbers on July 8 with today, visit the state's Data Dashboard at azdhs.gov.

Because we can't keep up with the news in this printed publication, we urge all members to sign up for our enews by visiting suncitywest.com/enews. We send one email a week, on Wednesday afternoons. It's a

### Hot tunes, cool flicks land in Beardsley Park

Join the Rec Centers of Sun City West as we step out into the cool evenings of October to enjoy weekends filled with concerts and movies at Beardsley Park, 20011 N 128th Ave.

Saturday night concerts and Sunday evening movies return to Beardsley Park beginning Oct. 3. Tickets are \$5 per person per concert and go on sale Sept. 15 at the R.H. Johnson Box Office, 19803 N R.H. Johnson Blvd. Tickets will only be available to Sun City West residents and can only be purchased at the Box Office. Tickets will not be sold at Beardsley Park.

We will require Sun City West residents to have a ticket and their Sun City West rec card to enter our Concerts in the Park for the 2020 fall season. At this point we are not allowing guests for the safety of our community. You will need to show your rec card and ticket for admission to the park!

We also will encourage masks when entering the gate, using restrooms, or purchasing anything from our concessions at Ramada 4. Social distancing will be monitored! Companions can sit next to each other, but please be mindful to others around you as we are heavily practicing social distancing in all events around the community. We are restricting these events to 1,000 people and the Ramadas will be open for more dancing areas.

Partial concessions will be available - soda, water and select pre-packaged snacks.

Here is the lineup of concerts set for October:

### SATURDAY, OCT. 3 Faded Jeans

Faded Jeans is the energetic, five-piece electric party band for everybody! Since 2008, they have connected with audiences through their dance-fueled performances. Their song list spans Classic Rock, R&B,

Above left, Faded Jeans will open the October in the Park concerts on Oct. 3; Rhythm Edition, right, will perform Oct. 10; with Johnny K and Kompany, below, closing out the series Oct. 17.

Pop, Oldies, Country, 70s Funk, Rockabilly, and Blues, with each song performed true to style. Faded Jeans has something for everyone. The band is comprised of an incredible mix of musicians from across the country, all with stellar professional experience.

### SATURDAY, OCT. 10 Rhythm Edition

The Rhythm Edition is a talented force of eight musicians who have established themselves as one of the top high-energy party dance bands in Arizona. Since 1985, the band has perfected their unique variation of musical favorites from Old School, Disco, Funk, Classic Rock, Oldies, Latin Cambia's and more. Female lead vocalist Gloria Robles is a power-house singer and her stage performance is a must-see experience. She is joined by male lead vocalist. Dennis Fike. and six amazing musicians on horns, guitar, bass, keys and percussion.

### SATURDAY, OCT. 17 Johnny K & Kompany

Johnny K has been involved in music from a very young age. He is a self-taught singer, however if you asked him he would tell you Johnny Mathis taught him how to sing. Johnny K's parents would listen to a Johnny Mathis 8-track tape every day and Johnny K started to imitate the great singer. It is no surprise that Johnny K started his singing career by imitating Johnny Mathis in clubs

and casinos around Arizona including Casino Arizona, Matazal Casino, and the Globe Casino. Johnny has also starred in shows with: JD's Legendary Stars, Stars on 45, The Rags Allen Trio and DJ's Old School Stars – perfecting the standards and great music of the '50s, '60s and '70s. Johnny brings all this experience to his current role as lead singer of Johnny K and Kompany.

#### **MOVIES IN THE PARK**

We will require residents to have a ticket to enter our Movies in the Park. At this point we are not allowing outside guests for the safety of our community. Roberta Davidson brings 20-

# R.H. Johnson Social Hall is designated polling location

The Recreation Centers of Sun City West advises resident voters that the R.H. Johnson Social Hall will be a designated polling place for the upcoming Primary and General Elections.

The Social Hall provides a large enough venue to accommodate the crowds and social distancing requirements sought by the Maricopa County Elections Department. Beardsley Recreation Center will NOT be a polling place for either the primary or the general because it is not large enough to meet

the requirements.

According to the county website, "For the August Primary Election, Maricopa County voters can cast a ballot at any Vote Center." The centers include some nights and weekends, as well as an extended voting window.

Visit the Maricopa County Elections Department website at recorder.maricopa.gov/ pollingplace, type in your home address, and click "submit" for a list of other locations where they may vote. For the R.H. Johnson Social Hall, voting will take place on the following schedule:

If you get behind in paying

your dues, you can call Member Services to establish a payment plan to get back in good standing. Members must be in good standing to use any facilities. We want to work with you to assist when we can.

Any Owner Member Dues not paid in full will have a 10 percent late fee added 31 days after the due date.

great way to get the latest information.

Visit suncitywest.com and our Facebook page, facebook.com/suncitywest. Both are great way sto get the latest. If you're not a Facebook user, it may prompt you to create an account, but there is a "not now" option if you wish to browse. Those of you on Twitter can find us at twitter.com/resew.

One other thing we can't see into the future is whether Gov. Ducey will be issuing any executive orders that affect us, or whether he will lift the current mask requirement after July 26. Even if he does, chances are the Rec Centers will continue to mandate them if case counts are rising.

We also know that we will all continue to be stressed during these difficult times. We know it's not easy on you. Please know it's not easy on us either. Many of our front-line staff have taken the brunt of anger and outbursts from a few residents. This will not be tolerated and will result in membership privileges being revoked. The vast majority of you have been understanding of the steps we've had to take, and we thank you for your support.

Just a few other updates for you:

We received a Paycheck Protection Program loan for \$2.2 million in June. The loan will be forgiven if we meet certain requirements, so we will apply for that forgiveness in August. The loan ensured we didn't have to lay off or furlough any employees. (One criteria for loan forgiveness is that no one be laid off or furloughed.)

Keeping staff on has been critical as most of our functions have not ceased through this pandemic and the related shutdowns. Although some did stay home, some worked from home and others were reassigned to COVID-related tasks. Core functions never ceased. This included golf maintenance, facility maintenance, finance, membership, information technology, public relations and human resources.

We have heard a lot of residents asking if member dues will be prorated because of the limited access to facilities. The answer to that is "no." Because most functions didn't cease, costs that went down like utilities were offset by increased costs for COVID-related expenses (cleaning supplies, masks, etc). Dues are not a payment to access the facilities, but rather the dues that keep the Association running. The Association in turn maintains the assets and the day to day operations of our Planned Community.

Lastly, while we seated new Board Directors on July 1, the Board itself goes on hiatus in July and August, so no Regular Board meetings or Workshops are planned. It is unknown as of now whether meetings, when they resume, will be broadcast on YouTube or offered in-person. We know many of you enjoyed having access to the meetings on video, but that comes with an expense. The Board will be discussing its options, so stay tuned on that.

Mask up and stay safe everyone!

### Village Store

### Baby hummingbird makes Memorial Day memorable

Hello everyone, so nice to be writing to you! This is the first time I have been able to communicate since the Village Store was shut down on March 12. We all know how difficult this

Katie Van Leuven Village Store Supervisor

situation has been and I hope you are staying healthy.

I wanted to share something that happened to me while I was at home.

I have always been a huge fan of hummingbirds. Here at the Village Store we get many different pieces made by our talented artists with a hummingbird theme.

I recently became a human momma to a baby hummer. On Memorial Day, May 25, my neighbor, Tana, and I found him (not sure until they are almost a year old which sex, so I refer to the little peep as him) on the grass near my condo. Tana held him and I fed him nectar from my hummie feeder. He gladly accepted the sweet syrup and the quickly made nest I prepared. I kept him on my patio where his real momma kept a close eye on him. She would fly down and feed him as he peeped loudly to get her atten-

with both bird mom and human mom making sure he was fed. During this time, I added grass and sticks to his clay saucer nest so he would learn to grasp the stick and sit on it. More than once he would bathe in the sugar water, so I kept a water spray bottle handy. It served two purposes - bathing and exercise flapping his wings. He loved being sprayed. I dipped my finger in the sugar water and let him lick it. His tiny, long tongue tickled.

My neighbors all pitched in to feed him when I was gone. Momma bird would carefully watch and when he was alone, she chirped, and he peeped until she came and fed him. She knew we were safe and helping

As he strengthened his wings, he would flap and flap, turn in circles and scoot backward. It looked like he was doing the "Moonwalk."

A couple of times he ventured out and landed in the near vicinity, then he would peep and peep. I would find him, pick him up in the palm of my hand and bring him back to the patio. The landscapers avoided using the blowers and mowers near my house that week.

I picked some tuberous flowers and put them nearby. I held him in my hand and lifted him to the bright orange flower. I could see his instinct kicked in and the tongue extended but

missed the center. He knew what to do.

On May 29, he took his first flight off Tana's hand. It was not far, but we knew he was close. The next day he was moonwalking like crazy. He took several short flights, landing on the bark of a pine tree, edge of the

patio wall, which he could not hang on to. Right after giving him the juice, he would get all ready to fly, then wear out.

I awoke on May 31 and he was gone. His mom still came to the feeder and would sing like crazy. I know he is staying in the neighborhood, because when I walk to my car, I hear his special peep.

It was fun to have a wonderful experience in this sad and crazy time. My neighbors and I witnessed something few people will ever see.

Thanks, Little Peep for giving me a rainbow during the storm.

### We need your help!

OHOA is an organization dedicated to educating and supporting our HOA members. We seek individuals to run for board positions and/or to volunteer as non-board committee members to help us with the leg work of putting on our seminars and our leadership academies. Unlike many nonprofit organizations, we do not ask our board members and volunteers for

money, but we do need your ideas and your time to help us achieve our mission. It is also a great opportunity for you to learn more about living in and operating an HOA.

We hold seven board meetings, seven seminars and two leadership academies per year, from October through April. There are no meetings or seminars during the summer months, so you do not need to be a full time resident to participate.

Please consider becoming a part of our organization. If you have any interest, please email us at achoscw@aol.com or contact us at 623-214-6006 to learn more of what being a board member for OHOA entails.

#### **ART**

As we all know, the pandemic has changed everything for our community clubs. The SunWest Art Club has been working closely with the Rec Centers to plan for a safe and successful opening of our art room. There is a very tentative possibility that this may happen Aug. 3. We may be able to offer Open Art from 9 a.m. to noon Monday and Wednesday. There will be very strict requirements regarding safe distancing, masks and clean up. However, we cannot plan that this will actually happen. Stay tuned to our art.scwclubs.com website for any upcoming news. The situation is rapidly changing. Member Ted Yao has prepared a video for our club website demonstrating how to remove a stuck cap from a tube of paint without mess. Check it out. Also, members can participate in the monthly art show online. Directions are on the website. Please stay

### **ARTISTIC HAND LETTERING, CARDS** & MIXED MEDIA

The spirit of hand lettering is the heartbeat of our club and in this time of "stay at home" we continue to share our friendships and the art of being "artsy" with the many styles of lettering and crafts. Our club has so much to offer anyone looking to join a club that does everything from card making, life faith journaling, coloring techniques, mixed media art projects and many more, with a lot of fun fellowship tossed into every meeting.

They say time marches on and in our opinion it is marching way too slow! We social distance and continue to get together at Beardsley Park for our card

Because of the growing concern for the spread of COVID-19, Zoom seems to be our continued mode of getting together. The nice thing about Zoom is members that are out of state can join too! We had a great meeting in June and were able to share some ideas for future projects.

Our popular Take Ten events are back! Our July theme was Christmas in July, and our August theme will be Summer's Last Blast and will be held Aug.

Sept. 21 will bring Autumn Bliss for a theme. For more details on how you can participate check our website, or call our president, Dale Hornyan-Toftoy (number is on our website).

Please check our website for meeting times when we get back to our club-

If you want to see what we have been up to please visit our Facebook page at AHL Lettering - join us to keep "in the know" on how we are coping with the shutdown.

All lettering classes will be rescheduled and notifications will be sent out once we are back to our clubroom. If you are not here when the class you are signed up for is rescheduled a reimbursement will be made. Thanks for your continued support and understanding during this difficult time. Please keep checking our website scwboomers.com for updates. Our members are eager to get back to the wide variety of fun activities that we provide - everything from card games to parties to trail rides and more. However, safety is the key. We are looking for volunteers for officers and committee leaders for next year. Check the website for what positions are available and learn how you can help keep the Boomers one of the best social clubs in Sun City West!
