Coronavirus: Sun City West Golf to implement more Covid-19 precautions

As the Coronavirus situation in Arizona continues to rapidly evolve, Recreation Centers of Sun City West Golf Operations has decided to implement new safety precautions at all seven golf courses in order to help create more social distancing between golfers and staff.

Until further notice, all tee times will now be made online or through the phone. To book a tee time online, please visit suncitywest.com and click "Golf" at the very top of the page. On the next page hit the "Reservation" button, which will take you to the golf reservation page. This page goes over all the tee time reservation policies, as well as provides a link to the online reservation portal.

To book a tee time through the phone, please call the pro shop at the golf course where you wish to play:

The current golf cart policy has been modified for the foreseeable future. Golfers are now allowed to ride as a single in their personal golf carts. Golf Operations will continue to rent out fleet carts to those who need them in order to play golf, but with a limited number available at each golf course, the possibility of running short could occur. All fleet carts are being sanitized between users. This policy will remain in effect until the Recreation Centers of Sun City West deems it best to revert back to the original cart policy.

Golfers are also asked to use the cart paths as much as possible during this time in order to minimize the amount of cart traffic.

In addition to the tee time and golf cart changes, Sun City West Golf Courses will also start implementing the following changes for the foreseeable future.

- No shot guns will be used in order to have the fewest number of golfers together at the same time

- All group putting club events are canceled
- Snack shops and food concessions are closed. This includes the Crooked Putter.
- All patio furniture has been removed
- No one will be allowed to congregate on the patios or in pro shops until further notice
- Golfers will be encouraged to complete all transactions with a credit card or member credit, limiting the amount of cash used during this time

As always, golfers and residents are highly encouraged to keep close tabs on the situation by visiting suncitywest.com/covid19 and by following the Recreation Centers of Sun City West on all their social media pages.
