The Arizona Fire & Medical Authority is excited to announce the recent release of the organization's smartphone application. This app serves as a new way for the organization to connect with the communities we serve, providing information quickly and efficiently to anyone with a smartphone.

The Arizona Fire & Medical Authority app is available for download for free in the App Store and Google Play. Search "Arizona Fire" or [click here](#) to download.

The Arizona Fire & Medical Authority app was developed to provide quick access to items of public interest and is easy to use. In just a few clicks, users can:

- Read the latest news and view information on active incidents
- Find out about upcoming events and meetings
- Find locations of fire stations
- Access information about fire and life safety education
- Learn about the services/programs we offer
- Receive push notifications
- View information on the Ambulance Membership Program
- Connect to the organization's social media platforms with a live feed of Facebook and Twitter
- More!

*Please download our app today and if you have any suggestions or feedback, please contact me.*
