will be on foot going to cars offering concessions for purchase until the movie starts.

We ask all patrons to please stay inside their vehicle. If you need to use the bathrooms, they will be open, but masks will be required when entering any building. When you pick up your ticket, we will have maps on how to enter and exit the Drive-In Movie.

Sun City West cancels fall events

The Recreation Centers of Sun City West has canceled its lineup of fall special events as COVID-19 uncertainty continues to plague the state.

Although Arizona's statistics regarding COVID have trended in an encouraging direction, RCSCW's Special Events staff had to make decisions now regarding entertainment and down payments for the fall season. Arizona Gov. Doug Ducey still has a statewide mandate in order prohibiting gatherings of more than 50 people, even with physical distancing.

Following is a list of events that have been canceled:

The Recreation Centers of Sun City West is pleased to present the 2021 Spring Fest, Friday through Sunday, March 12-14, at Beardsley Park, 20011 N. 128th Ave.

This lineup has been rescheduled from the 2020 Spring Fest that was cancelled due to the COVID-19 pandemic.

We are no exchanging tickets at the R.H. Johnson Box Office, 19803 N. R.H. Johnson Blvd. If you received your refund you will not be able to get an exchange. The deadline for ticket exchanges is Feb. 26. You must have a 2021 ticket to get through the gate. Remaining ticket sales will begin in 2021. Check the Rec Center News or enews for updates.

The line up will feature the following acts:

FRIDAY, MARCH 12 *Voyager – A tribute to the music of Journey*

Voyager is a spectacular tribute to the music of Rock 'n' Roll Hall of Fame artist, Journey. This high-energy production will take you on a musical tour of classic songs like "Faithfully," "Open Arms," "Who's Crying Now," "Wheel in the Sky," "Anyway You Want It," "Don't Stop Believin'" and so many more. Featuring extraordinary musicians and vocalists who have toured nationally and internationally, Voyager provides today's most entertaining and accurate Journey experience.

SATURDAY, MARCH 13 *One of These Nights – A tribute to The Eagles*

Back by popular demand!

One of These Nights promises an unforgettable night featuring the music of the Eagles.

One of These Nights takes the audience on a journey through all the Eagles' "sound," from tasteful country rock, complete with full harmonies, to hard-rocking tunes that highlight the Eagles' extraordinary catalogue. The show features the band's greatest hits like "Hotel California," "Desperado," "Lyn' Eyes," "Life in the Fast Lane," "Take it Easy," "Already Gone," "One of These Nights" and many others.

John Waxman and JD Madrid have teamed-up with the fellow stellar musicians to create one of the best sounding Eagles' tribute bands touring today.

SUNDAY, MARCH 14

Mirage – A tribute to Fleetwood Mac

Mirage - Vision of Fleetwood Mac celebrates the classic lineup of the legendary superstar band.

Based in Los Angeles, the members of Mirage capture the look and sound of Fleetwood Mac live in concert. The band is a spinoff of the highly successful band, "Bella Donna – A Tribute to Stevie Nicks," which was praised by Stevie Nicks after she heard a live performance by singer Michelle Tyler and the band.

Mirage focuses squarely on Fleetwood Mac and their greatest hits in this five-piece authentic concert recreation. The show features Michelle Tyler as Stevie Nicks, Bob Weitz as John McVie, Bruce Lawrence as Lindsey Buckingham, Annie Boxell as Christine McVie and Richard Graham as Mick Fleetwood.

A note from the Events Department

As we continue to push through these very difficult challenges, we wanted to reach out to the community and be sure we communicate with all of you as to why our Department reached the decision to cancel the remainder of events for 2020. However, we are doing some additional events (listed below) to try and fill some of these gaps and keep you all engaged.

First, as the Events Manager and our team, we are just as bummed to have made the decision to cancel. We were truly looking forward to the remainder of the year with some awesome entertainment! When we book these groups, we do so with contracts. These contracts are based on a specific date, various payment deadlines and set costs. So, if we had continued to move forward with our October/November outdoor event plans, and then cancelled later than we did, we may have had to pay all or a portion of the contracts. Also, when we sell tickets, we have ticket and credit card fees which would be an ultimate loss, and we would have to make even more refunds.

As some of you are familiar, we have had to work closely with our Accounting Department and cut hundreds of checks to many patrons who wanted a refund rather than an exchange for the Spring Fest. We learned that we cannot issue refunds to credit cards if the purchase was made more than 120 days prior to the date of the refund. This has caused quite a difficult and time-consuming challenge. Keeping this in mind, I want to inform you all that in the future we will no longer sell tickets this far in advance. So please be aware for new changes in the future for ALL events including, Top Hat, Cruise Ship and the Fall/Spring Fests.

We are hopeful to finish out our Top Hat and Cruise Ship Shows for 2021 and we are looking to make some new fun changes for the future! Those plans are in the works as we speak, and we will continue to keep you informed on the decisions.

For those of you who are not familiar with how we run our Top Hat and Cruise Ship Series, we select shows during the months of January, February and March that are booked up to two years in advance. Every four years we wipe the slate clean for our patrons and give everyone an opportunity to select their seats for these shows, and if the subscribers want to renew each year, they can maintain those same seats for four consecutive years. This year (2021) is the fourth year for this subscription plan, and with everything that has occurred, we thought this would be a great opportunity to look into some new concepts. We will continue the series options, but tickets sales will not be available so far in advance.

As we look into filling our events for the remainder of the year, we will host Drive In Movies, Virtual 5k during the week of Thanksgiving and work alongside with the Automotive Restoration Club for a Curbside Christmas. Please look for other activities that might pop up on our Facebook/Instagram page, such as a scavenger hunt and possibly live concerts, if we get the OK! Our decisions are absolutely being made on a month-to-month and sometimes day-by-day basis!

Thank you so much for those of you who have supported us during this pandemic and know we are 100 percent here with you and cannot wait to get back to seeing all your faces!

Knights of Columbus thanks community for food drive donations

The Our Lady of Lourdes Knights of Columbus would like to thank the generosity of Sun City West residents and surrounding areas for help with the successful “Leave No Neighbor Behind Food Drive.”

The drive was held from 8 a.m. to noon on Aug. 22 at the Sun City West Posse Parking lot, which is a very high traffic location here in Sun City West. The Knights received donations while setting up for the 8 a.m. opening. We want to thank Sun City West Foundation and the SCW Posse for use of the parking lot as a venue. In addition, we want to thank the Recreation Centers of Sun City West’s website (suncitywest.com), the Rec Center News, the Sun City West Independent Newspaper, radio station KSCW, PORA and Our Lady of Lourdes Parish for advertising the event.

We collected 5,136 pounds of non-perishable foods and \$850 in monetary donations during the four-hour food drive. The food and donations were turned

over to Valley View Community Food Bank, which operates in the Sun City Area. The amount of food filled the truck used for transport the donations to the food bank. This was the largest single day food drive that the Council has ever had. Valley View has also told us that they have not had a donation this size in more than a year. Due to this great response, the Knights of Columbus will look at doing this again in the future and hope that we can rely on you to help us succeed with the next food drive.

The members of the Our Lady of Lourdes Council had 15 members volunteering during this food drive and worked 140-man hours to complete this successful project. The “Leave No Neighbor Behind Food Drive” was created as a charitable way for the Council to help members of the community especially since many food banks are straining to provide services during this current time of pandemic.

HALLOWEEN SPECIAL HORROR OCT. 29 “The Shining”

Rated R – Drama, Horror

A family heads to an isolated hotel for the winter where a sinister presence influences the father into violence, while his psychic son sees horrific forebodings from both past and future. Starring Jack Nicholson, Shelley Duvall, and Danny Lloyd.

FUN FACT ABOUT THE SHINING: Because Danny Lloyd was so young, and since

it was his first acting job, Stanley Kubrick was highly protective of the child. During the shooting of the movie, Lloyd was under the impression that the film he was making was a drama, not a horror movie. In fact, when Wendy carries Danny away while shouting at Jack in the Colorado Lounge, she is actually carrying a life-size dummy, so Lloyd would not have to be in the scene. He only realized the truth several years later, when he was shown a heavily edited version of the film. He did not see the uncut version of the film until he was 17 years old, 11 years after he had made it.

Sun Health Foundation plans Boswell celebration; hosts 5K walk

The Sun Health Foundation will host a pair of community events later this year and are inviting Sun City West residents to join them.

HEROES WITH HEART VIRTUAL GALA

At 7 p.m. on Saturday, Nov. 7, Sun Health Foundation will commemorate the 50th anniversary of the Banner Boswell Medical Center with a special virtual celebration to honor Rajeev S. Kathuria, MD, and Vituity Healthcare and Medical Staffing Services for their dedication and service to providing superior health care in our community. This special celebration event will also feature a per-

formance from the Thaddeus Rose Band, an online auction and prize drawings. Proceeds from this event will benefit the Banner Boswell Medical Center’s emergency department and patient care transformation.

WALK FOR WOMEN’S HEALTH

Normalcy slowly returns to Sun City West

All of us have been in a state of uncertainty related to COVID-19 for last six months. We are slowly emerging to welcome back some degree of normalcy. Let's take a look at who we are as a community and how diverse our slice of paradise is to each of us. Each item below may not fit everyone, but we are a community with varied interests and abilities.

Words that describe Sun City West, Ariz.: Premier, Active, Adult, Golf, Community. Now those are awesome descriptions about who and what we are, so let's take the time to break this into each of the pieces.

Sun City West has 300-plus days of sunshine, great weather (even the "dry heat"), and easy drives to downtown, local theaters and concert halls. It's also a short trip to visit the California coast, Las Vegas, or Laughlin (my favorite). How about the cool summers of the Rim Country or Arizona's beautiful first capital, Prescott. Then we have the spectacular Grand Canyon. You get the picture - each of these wonderful places is an easy drive from Sun City West.

Definition of premier: First in position, rank, or importance. If you live here, you already know what a great place Sun City West can be. If not, it's time to visit and explore our commu-

nity. We have great staff members who care about our facilities; a solid financial status; and consistent housing value growth. We also enjoy extremely favorable Association dues (\$1.36 per day as of this column). That's a great value for the dollar.

Where else can you get access to four recreation centers and more than 100 different clubs - from woodworking and metal work, to card games too numerous to mention - as well as a private library; theater for live shows and movies; three outdoor pools; three indoor pools; gyms at each center; world-class lawn bowling; and 26 pickleball courts.

We also have tennis, dog parks, and a Sports Pavilion with 30 bowling lanes and pool tables. In fact, the amenities and activities are too numerous to mention. There are plenty of opportunities to be active each day, and it's your choice to be as active or non-active as suits your lifestyle.

Adult: We are an age-restricted community where one

George Kuchtyak
President

person living in the home must be 55+, and each person listed on the deed is required to pay dues as a member of the Recreation Centers. These requirements are governed by the federal Housing for Older Persons Act and Arizona Revised Statutes, Title 33, regarding Planned Communities.

Golf: Sun City West is a mecca for golf. We have seven - yes, seven - top quality golf courses. Todd and his crews maintain them to a level that will stand up to any course in Arizona. And what a bargain! The annual golf card is \$3,125 for unlimited play. If you play three times a week, you can buy a card putting your cost right around \$20 per round. There are other options as well for your golfing excursions on our four regulation and three executive courses with tees set up for all skill levels. If you're interested in playing golf for the first time, seek out the Green Team, a friendly and noncompetitive group that will help get you off to a great start. Our people - the employees and residents - are what make this a premier golf community.

Community: No matter where you are from originally - Mid-

Thinking about an addition to your home?

Check on CC&Rs before beginning a project to avoid costly mistakes

Many of you have probably made some fun changes to your lives after moving to Sun City West. Perhaps you bought a new golf cart, or completed a vintage automobile restoration. Or maybe you just need a little more space for living.

Chances are, you've thought about remodeling! A new addition to one's home is an exciting undertaking as we do our measuring, designing, and envisioning of what will be.

I've been there myself. Having moved from a small town in northern Wisconsin, I was used to their rules and figured all I needed to start construction was to take our plans down to the county office to get a building permit. The county codes were all that need to be addressed and then we were good to go! But what held true in my old hometown is not true in planned communities such as Sun City West.

Living in a planned community comes with additional responsibilities and duties for the homeowner when considering building and remodeling. One can follow the county codes to the letter but still be violation of Covenants Conditions and Restrictions (CC&Rs). The CC&Rs are the rules of your neighborhood. They describe the requirements and limitations about what you can and cannot do with your property.

The goal of the CC&Rs is to protect, preserve, and enhance property values in the community. Most of the time, the rules make sense and are easy to accept. The Declaration of CC&Rs is the legal document that lays out the guidelines for the planned community. The CC&Rs are recorded in the official records in the county where the property is located, and are legally binding.

If you build an addition in violation of the CC&Rs – even if the county permits it – chances are you will have to remove it at your own cost.

So before you begin to build that new garage or backyard addition, please make sure you have contacted the Sun City West CC&R Department to guaranty your new addition is permissible. We are happy to assist Sun City West residents with their future plans of remodeling.

back books, DVDs, Blu-rays, music CDs, and puzzles. Thank you to all those who donate items for the book sale. CURBSIDE PICKUP

Curbside pickup is available. Checked-out items can be picked up in the horseshoe drive next to the book drop. Library staff will call when the item is

ready for pickup. For all hold items, both in the library or curbside, you must wait for a call from library staff to tell you the item is ready before you come pick them up.

When you are called, let the library staff member know you prefer to pick it up curbside. The staff member will give you a time for pick up. Ring the doorbell at the book drop and have your rec card ready when picking up the item at the back entrance.

BOOK CARE

Help us take care of our books by letting others enjoy the fun you have:

- Please do not dog ear books always use a bookmark instead
- Keep water away from books. Water ruins books and causes mildew and mold that could spread to other books
- Please do not eat or drink while reading a library book
- Please do not write in library books
- Please do not mark or stick post-it notes on library materials; they leave an adhesive residue.

• Keep the spine of your book healthy.

• Do rubber band your book before placing in book drop.

Thank you for handling our books with care. If the book is damaged please do not attempt to repair the book. Bring it back to the library as staff has special materials, tape, and tools to use for repairs.

RESOURCE HIGHLIGHT: LIBRARY CATALOG

The library catalog gives Sun City West Residents the option to place holds or renew library materials online. The Library will call you when holds are ready. Please make sure the Rec Center Member Services has your phone number so we can call you for holds.

Village Store

Village Store recaps an unusual summer

Happy Fall everyone! This has certainly been an unusual year, to say the least. The Village Store has been busy selling our consignors beautiful wares. I would like to recap

Katie Van Leuven
Village Store Supervisor

summer at the Village Store. The Rec Centers were closed from March 13 and reopened some facilities, including the Village Store, on June 15. The Village Store was open from 9 a.m. to 1 p.m., Monday through Friday for the months of June, July, August, and September. As of the deadline for the Rec Center News, October hours are up in the air. The store being open in August was a first for me. Having

worked at the Rec Centers for 15 years, we had always been closed in August for maintenance and vacations for staff and volunteers.

With the COVID-19 closure and Village Store reopening, our inventory was abundant. The items brought in for the months of October, November, December, and January were all expired. It was determined the best plan was to extend the expiration dates and sell the merchandise in June and July. There were approximately 2,000 expired items. We were accepting new inventory with consignment at only three items per seller per week.

We began pulling the expired merchandise in July. I worked with each of the clubs to determine the best way to accomplish this task and still

maintain adequate inventory. We felt selling the merchandise for the members out of town was better than having it sitting in a storage closet. The clubs determined who was in and who was out, and we pulled the merchandise that could be returned to the members. By the end of August, there were 216 expired items left.

As the clubs completed removal of the expired items, I emailed the QC persons and gave permission to return to the regular consignment limits. This was a good incentive to

get the expired items removed. In September, we will return to the normal six months pull schedule.

Our sales for the summer months were not too bad. Being able to sell for our consignors at this particularly difficult time made all of us feel happy. We welcomed many of our long-time customers, volunteers, and employees.

I really want to thank the Village Store employees for stepping up and handing this with pride and loyalty to the store. They were a bit hesitant to undertake this task with the worry of COVID-19 hanging over us. We have implemented all the cleaning protocol, masks, temperature taking required by the Rec Centers. Our customers are complying and happy to come shop.

We look forward to seeing

our consignors as they return to Sun City West. With the cancellation of both the Spring and Fall Arts and Crafts Fairs, we hope they will bring their items and we will have a great winter season!

The Village Store is looking for volunteers!

If you are interested in volunteering for shifts at the Village Store, where you can help shoppers as they peruse the items handmade by our chartered club members, please give us a call. Various shifts are available and the atmosphere is fun and friendly. Plus, you'll get an inside look at the new items made by our talented artisans. Call 623-544-6135 for details.

Bowling

Bowling tips to help your game

Keep the first step short: A short first step in your approach will allow you to maintain good balance. Each successive step will be slightly longer to build momentum to the finish line. In a four-step approach, your ball-slide foot steps forward as your arm with the ball moves out in a rounded motion. At the end of the first step, the ball should be about 4 to 6 inches in front of the ball-side foot ready to fall into the back swing. In a five-step approach, your first step is with your non-ball foot. Your second step with your ball-slide foot then imitates the four-step approach.

Barry Hardesty
Sports Pavilion
Manager

Starting a relaxed swing: Using too much muscle will pull your swing off line and make it difficult to be consistent. In addition, using muscle causes your swing to feel restricted, which actually slows it down. A relaxed swing starts in the stance by keeping your grip relaxed. To develop this feel, try this drill from the USBC. Get in a comfortable stance position holding the ball about waist high.

Move your ball-side foot back more than usual to have additional balance. Squeeze the ball as hard as possible and hold it for seven to 10 seconds. You should feel the tension in your hand, arm and shoulder. Relax your grip and feel the difference. When ready to bowl, make sure your arm and hand are relaxed before you start your approach.

Aim your push away at your lane target: As you start the ball moving in your approach, make sure that the ball moves in a straight line toward your target on the lane. This will help prevent your swing from going off line. Let the rest of your swing be relaxed and keep it in a straight line toward your target.

Hope this helps. See you on the lanes.

Buy Event Tickets). With the push toward virtual races nationally Start Line Racing registration has been upgraded with their virtual capabilities so that participants can easily track and report their individual runs straight to the website through a new app connection. This makes the event less of a "register and get your stuff" to an actual "event" where people are actually participating, reporting their times, and then seeing their times on a leaderboard.

This year we will donate a portion to St. Mary's Food Bank to help support during the holidays. So please be sure to register soon! We also will host a food drive for S. Mary's at each Rec Center. Please donate non-perishable foods.

OHOA events Zoom into the future

The OHOA remains committed to providing quality continuing education programs for our HOA board members this season. Meetings and seminars will be conducted virtually via the Zoom app, at least through December. This includes our OHOA monthly seminars, our annual meeting in November, and all OHOA board meetings.

Our annual meeting and November seminar will be at 10:30 a.m. Thursday, Nov. 5, via Zoom. Our annual meeting requires we have a quorum in "attendance." This year, "attendance" at the annual meeting will be solely determined by receipt of your HOA's ballot at the OHOA office by Monday, Nov. 2. A ballot will be included in the Annual Meeting packet, which will be emailed to each HOA board chair in mid-October. One ballot per HOA is permitted. A ballot may also be found at ohoascw.org under the Board tab.

Beth Mulcahy

Beth Mulcahy, founder and partner of Mulcahy Law Firm, will speak after the conclusion of the annual meeting. Her presentation will be "HOAs in Crisis." Invite your entire board and homeowners to attend this virtual presentation. See the OHOA seminar page on our website for instructions on how to connect to these two events.

Our Thursday, Dec. 3, seminar will feature Myron Finegold, commander of the Sun City West Posse, who will tell us "Everything you need to know about the Sun City

West Posse Services and More..." This Zoom meeting presentation will begin at 11 a.m.

The OHOA Office is scheduled to open on Monday, Oct. 5, in the Sun City West Foundation Office. The SCW Foundation Board will determine if, and when, our office may have walk-in traffic. Our normal hours are 9 a.m. to noon every Monday, Tuesday, and Wednesday. Walk-ins are normally welcome but appointments, especially now, are advisable. Please call 623-214-6006 or email the office at achoscw@aol.com to set up an appointment and/or verify in advance that walk-ins are allowed in the SCW Foundation Building. Masks and social distancing protocols are in effect throughout the building and in the OHOA Office.

OHOA Seminars are open to OHOA members only. If your HOA is a member of OHOA, you, too, are a member and may sign up to attend any of our virtual Zoom meeting presentations.

This hands-on clinic will be free to Sun City West residents who hold current rec cards and

have not participated in a previous First Swing clinic.

The Sun City West Green Team offers this special day to encourage friends and neighbors who are interested in learning the game to come out and try some fundamental golf skills. First Swing instructions by our PGA pros and mentors will include woods, irons, putting, chipping, and some basic information about playing the game of golf.

Space is limited to 30 participants and we will take only

Beader Club members work on projects in the club room.

August brought us many new challenges. Besides the sweltering, record-breaking heat we had here in Arizona, our wonderful club continued to get together for our monthly card swap and another great time of social distancing. Our challenge – Design a tag (upper left photo)! What a great time we had explaining techniques and designs. We continue to learn new techniques through the Zoom meetings and Kathy Eicke gave lessons in August on making a waterfall and/or pocket portfolio. What a great project! Right and above right are photos of the project in both formats. We will continue to have our monthly card swap at the Beardsley Rec Center Ramada along with Zoom meetings for lessons or challenges. Please check our website for meeting times when we get back to our clubroom.

hallway. As of now, we are the only club using the Sagebrush Room. The room will be thoroughly cleaned each day. The club is exploring options for utilizing Zoom to teach classes and to hold weekly conversations with Beading Club members who cannot come to the club.

New members are welcome! Come join the Beaders, learn new beading techniques and share your passion for beading. Members teach and share various beading methods and offer suggestions for how to find beading supplies. The club will continue to order supplies at a discount for members through Fire Mountain. Members create beaded items for personal use and for sale at SCW Arts and Crafts Fairs and the Village Store. For questions or more information, please contact Lynn at 480-710-8301. We look forward to seeing you!

BOWLING

Bowling is Fun! The friendships are great! Bowling is enjoyed by more people than any other participatory sport in the world. The Bowlers Association of Sun City West promotes bowling, creating an environment designed to sustain a high level of fellowship, sportsmanship and friendly individual competition.

BASCW will start bowling again on Saturday, Oct. 10. Due to restrictions imposed by COVID-19, the format will be somewhat different from our pre-COVID routine. Only 60 bowlers can bowl at one time. (In the event that more than 60 bowlers sign up, there is the possibility of a second shift following the 4 p.m. shift. A second shift will not be scheduled unless the first shift is filled.) The first balls will be rolled at 4 p.m. but bowlers should arrive in plenty of time to get prepared to bowl.

We bowl a handicap No-Tap format meaning nine or 10 pins down on the first ball is a strike. The cost to bowl is \$10 per

HOW TO SUBMIT CLUB NEWS:

member and \$11 for guests. The fee covers the lineage and the payout to participating members. About half of the member bowlers will receive a payout of \$5 to \$10. Member bowlers can also participate in the "3-6-9 pot," the "300 pot" and the 50/50 raffle. If you want to participate in these activities, you must pay with the correct change.

Those who want to bowl on Oct. 10 must sign up at the lanes by noon Friday, Oct. 2. The BASCW sign up book is located on the table/display counter in the center of the bowling lanes. Payment envelopes are next to the book and can be put in the "payment mailbox" that abuts the counter.

Special events are held throughout the year such as summer red pin bowling on Tuesdays, New Year's Eve bowling, and red head pin strike events.

The BASCW invites all residents, no matter your bowling skill, to join us for an evening of fun. If you have not bowled for some time and want to get back in the game, this is a perfect opportunity. Handicapping levels the playing field and gives all participants a chance to win some prize money. Membership is \$10 per year. Membership forms are at the counter in the center of the bowling lanes.

CLAY

The Clay Club is open to current members from 8 a.m. to 4 p.m., Monday through Friday. In order to keep the club open, everyone must comply with the following rules at all times: 1) A mask must be worn at all times; 2) eating in the club is prohibited but members may go outside to eat, and 3) social distancing is required at all times when in the club. Adherence to these mandates is monitored continually.

The Clay Club officers worked extremely hard to open the club and continue in that capacity. They are required to comply with the frequently changing Recreation Centers restrictions and this continues to be no small feat. Many thanks to the joint efforts of the Clay Club officers, the Sun City West Clay Club Education Committee, the Recreation Centers staff, and the staff at Beardsley Rec Center. They have all spent and continue to spend an inordinate number of hours working to keep the club open during these unprecedented times.

Potential members may enter the club to sign up for membership only. The Clay Club Education Committee is in the

ART CLUB

As we all know, the pandemic has changed everything for our community clubs. The SunWest Art Club Board has been working closely with the Recreation Centers to plan for a safe and successful opening of our art rooms. Your board is very pleased because it appears that Open Art will be available for members on Mondays and Wednesday. There will be very strict requirements regarding safe distancing, masks and clean up. These are listed on our website. However, given the nature of this pandemic, we cannot plan that this will actually happen. We hope other types of activities will be added soon. Stay tuned to our art.scwclubs.com website for any upcoming news. The situation is rapidly changing. In the meantime, stay safe.

10:30 a.m. to 2 p.m. on Mondays and 10 a.m. to 4 p.m. Wednesdays. The guidelines for coming to the club are: use the handicapped door entrance on the right hand hallway; wear a mask; give your name and rec card number to the monitor; wash your hands when you first come into the room; find a table, only one person per table (first come, first served); no eating in the room; bring your own drink and beading materials. ARTISTIC HAND LETTERING, CARDS & MIXED MEDIA

All lettering classes will be rescheduled and notifications will be sent out once we are back to our clubroom. If you are not here when the class you are signed up for is rescheduled a reimbursement will be made. Thanks for your continued support and understanding during this difficult time. For further updates to this schedule please check our website at calligraphy-west.scwclubs.com.

BOOMERS

The Boomers Club Board has been actively working with the Recreation Centers with the intention of opening our club room and resuming social activities as soon as it is safe to do so. Due to the pandemic and its rapidly changing infection rate, everything is still in flux. At this time there are no definite plans for reopening the club, and it looks as if there will be no social events permitted for October.

Leather Carvers President John Richter has been busy working on his leather projects at home during the recent club shutdowns. He has discovered his love of braiding and sewing and would like everyone to know that working with leather is possible in many forms, not only carving and stamping. John joined the club about two years ago and quickly discovered that carving and stamping was not for him, however he enjoys the variety of other types of projects available. The club has a complete library of inspiration and ideas, and members are encouraged to explore the many possibilities. John has generously donated many of his projects and continues to create one of a kind items such as leather placemats and clocks. The leather workers meet at 8 a.m. at the Kuentz Rec Center Monday through Friday. As things slowly continue to return to normal, classes will be scheduled if possible.

ENERGETIC EXERCISE

COVID-19 has us all trying to figure things out. So many clubs at Sun City West are on hold until further notice from the Recreation Centers leadership. However, take my word for it: we have a great club whenever we do get back together! Our meeting dates, times and location are all up in the air still, but if you would like to be on our email list for updates and information, please call Energetic Exercise Club President Gloria Schroeder at 623-986-9392. Thanks for your patience and please, stay well.

HANDI-CAPABLES

It is a treat - not a trick - to be part of a unique club in Sun City West! When Beardsley Rec Center opens, members of the Handi-Capables Club will be ready to enjoy the benefits of an overall positive health experience. The club meets from 9 to 10 a.m. every Monday, Wednesday, and Saturday at Beardsley pool. Along with water walking at your own pace, there is always vibrant and friendly conversation in a welcoming atmosphere. All ability levels are encouraged to participate including those with normal aging issues and those with mobility concerns. Adaptive equipment such as water-bound wheelchairs and floats are available.

As a member of the club, you will be able to participate in various seasonal social activities, including dinners at area restaurants highlighted with a Christmas luncheon at Briarwood Country Club. With a valid rec card and a \$25 fee, you will discover that one of the best "treats" of Sun City West is the Handi-Capables Club.

For more information or to arrange a visit, contact club secretary, Ginny Mathys (mginimat@cox.net) 623-556-7527 or club president, Cathy Shyers (cshyers@yahoo.com) 908-642-1578.

KARAOKE

The reopening of the Karaoke Club has been put on hold until further notice, awaiting the resumption of evening activities at Beardsley Park Rec Center. The club's regular meeting time is 6 p.m. Friday in the yoga studio at Beardsley Center. A neon sign in the hallway heralds the way to the "Karaoke Kabaret." Club members may contact Byron Brothers at 719-291-0379, for daytime appointments for equipment training or practice on the club's new computer and data base with 260,000 titles.

The club's board has been busy implementing new safety procedures, which align with CDC guidelines and Rec Center rules. The plan calls for respacing of chairs and tables to allow for social distancing, sanitizing common areas and equipment, especially microphones. Hand sanitizer will be available upon entry. Sani-wipes will be on every table. Masks are currently required upon entry and within six feet of others. Singers are a safe distance away and don't need to wear a mask while on stage.

During the initial phase of the reopening, only 32 members plus the KJ operators and greeters will be allowed entry. No guests until further notice. Upon entry, members will be required to show their Rec Center card.

LEATHER CARVERS

The club room is open and members are slowly returning. The leather workers meet at the Kuentz Center from 8 a.m. to noon Monday through Friday and sometimes in the afternoons if there are at least two members present as required by the Rec Centers. We are following guidelines set forth by management and our board members to minimize any risk to our members.

We are excited to be back and resuming our leather projects even with the recent limitations. We have a library full of ideas and inspiration just waiting for us to create. And it's not just carving anymore! We are braiding, painting, sewing and anything else we can imagine.

New Member Classes are expected to resume in the near future. Whether you are a beginner who wants to get started or an experienced carver who wants to learn a new skill, you will find what you are looking for. You will receive fundamental instruction and learn how to use the seven basic tools of the craft. Various other leather working techniques are occasionally explored as well. The club is a great place to meet others who love the craft of leather working. We offer many opportunities to create projects, such as handbags, wallets, phone cases, guitar straps, and much more. Members create everything from the simplest belts to the most detailed saddles and jewelry. Club tools, supplies and equipment are available for use.

The club has purchased two different industrial sewing machines to meet the needs of any project. Current members offer years of experience and are always happy and available to exchange ideas, answer questions and assist with projects. The club also has a variety of items and kits for sale to members and all that is required is your imagination! Active club members receive discounts at some local stores by showing their current membership card. Handcrafted leather items make wonderful gifts for family and friends. You'll enjoy making projects you can use, give as gifts, or sell. Some members sell their items in the Village Store and in the club room. You can also have something custom made if you like.

The Leather Carvers take part in the Fall and Spring Craft Fair at R.H. Johnson. Since the craft fair was canceled last spring, members have an abundance of items for sale so you can still find that perfect leather item at the Village Store or in the club room. All Sun City West residents with a valid rec card are welcome to become members so please check out our web site at scwleathercarversclub.weebly.com or call 623-203-7283 for more information.

Club members hope to continue the annual Halloween event, "Scaryoke," which has been a highlight of past seasons. They are ready to break out of lock down! Traveling with the RV Club is great fun! Not only do the travelers get to experience new and exciting places, but they have a wonderful time traveling and exploring together.

Here are some of our recent and upcoming trips: Explore San Diego, Travel the Phoenix Light Rail, Winter Picnic at White Tank Regional Park, Lake Havasu Western Winter Blast.

Currently, due to COVID-19, we are unsure when our club will begin meetings and outings. For current updates, please see our website at rv.scwclubs.com; or email suncitywestrvclub@gmail.com.

ROCK 'N' ROLL DANCE CLUB

As of the date of publication, the Rec Centers is working on giving us a specific date of reopening. Perhaps, we will be dancing soon, and we would love to have you join us! Please visit our website or call the number below for up-to-date information on our Rock 'n' Rhythms Dance Exercise Classes and our Rock 'n' Roll Dances.

Rock 'n' Rhythms Dance Exercise: As soon as the Rec Centers permits us to resume our 9 a.m. Saturday classes in the Social Hall, we hope you will join our instructor, Kort Kurdi, as he leads us in his one-of-a-kind dance exercise program called "Rock 'n' Rhythms." This fun, energizing class uses basic, easy dance steps and rhythms designed for everybody and every body. With Kort's unique style of showing and calling the steps, you will be dancing to the beat of the very first song. Cost is \$5 for members, and \$6 for guests.

Rock 'n' Roll Dances: As soon as the Rec Centers permits us to resume our dances, we hope you will join us on the dance floor for our Classic Rewind Rock

'n' Roll Dances with DeeJay, Kort Kurdi. Dances will be at Palm Ridge in the Ballroom, typically the first and third Saturdays of the month, with a lesson at 6 p.m. and dancing from 6:30 to 9 p.m. Kort will play the hottest dance music from the 1960s, '70s and '80s, from rock to Motown, including a few current favorites and requests - all from the original artists! Bring your own snacks and beverages. Cost is \$6 for members and \$8 for guests. Annual membership is \$7.

Call 480-259-7281 or visit www.rocknroll.scwclubs.com for more information and updates.

SCRAPBOOKING, PAPER CRAFTING & MORE

Scrapbooking, Papercrafting and More is happy to welcome members back to the classroom. It is open Thursday and Friday from 10 a.m. to 3 p.m. There are a few things that you must keep in mind when coming to work in the classroom. As is standard, a mask must always be worn. The tables and chairs have been set up per Rec Center guidelines and cannot be moved or altered. This is to provide social distancing. A limit of 23 members are to be in the room at any one time. That may sound like a low number, but it has not been a problem as a good number of members come and stay for only an hour or two. Don't let this keep you from coming if you feel comfortable being out. The tables and chairs are wiped down by the rec center at the end of day. If you leave before the end of day, materials have been provided to clean your table for the next person. One last thing: the cupboards are not open to members at this time - just think how hard it would be to sanitize all of our "stuff." So, bring your supplies and come have fun. COVID-19 has not kept us from having fun when we get together.

Lynn Marion will host online classes through Facebook Messenger to club members. She would like you to call her if you have questions at 440-666-6386. If you have questions about joining our fun club, please call Kathy Greene at 623-556-5713.

SOFTBALL

Sun City West residents may sign up for exciting senior slow-pitch softball any time. You will have the opportunity to play in any one of three primary Leagues: Central, between the more recreational National or the more advanced American. Teams play twice per week, no weekends. For years we have alternated between beautiful Sun City West and Sun City fields all year, but that cannot be arranged, yet, due to the virus. All games will be

played at Liberty Field in Sun City West. Also see "COVID-19 Impact" below.

There are 34-40 teams, fewer during summer sessions. Teams usually have 11 players, including four outfielders and rover, but no rover in the American League. Cost is only \$50 per year, plus \$75 the first year only, for uniforms. Open practices, tournaments and many special games are on other days.

Here are three additional Leagues, with contacts, for play from October through April. Some changes may be made due to the virus.

70s Softball League: Lloyd Styrwoll, 218-259-4777.

Women's Softball League: Chris Lynch, 509-389-8484.

Coed League: Rick Bialock, 360-509-3625.

Green Team: Newcomers are evaluated/assigned. Rickie Toland, 509-264-3088.

COVID-19 Impact: Virus constraints officially stopped all three traditional summer sessions at both the Sun City West and Sun City fields. The first session was canceled. Arrangements were then made to rent other fields for sessions two and three abiding by safety protocols. The second session was played at Rio Vista in Peoria but was stopped midway. The third session is being played at Victory Lanes in Glendale through Oct. 1. The Rec Centers was not affiliated with those summer games that were pure fun play with no stats. Liberty Field should open for use on Oct. 14. Official games could start Oct. 19 and go until early January. Of course, all this depends on COVID-19. Check our website azsrsoftball.com for updates. Contact president Dave Ryg at 815-978-0712 or email roscoeryg@yahoo.com.

STARDUST LADIES GOLF

Sun City West Lady Golfers are invited to join us on Tuesdays to play at Stardust Executive Golf Course. You can elect to play nine holes or 18 holes. You can play competitively and establish a handicap, or you can just play non-competitively and enjoy the game with a friendly group of golfers. There are weekly games for those who want to participate and a few tournaments throughout the year as well as luncheons and the holiday gathering.

Applications for membership are available at the Stardust Club House or at sd-ladiesgolf.scwclubs.com. If you are not sure league play is for you, you can play as a guest for a few weeks. Call Judy at 218-234-1091 for additional information.

TENNIS CLUB

We would like to be able to say that things are back to normal, but at least we are moving in the right direction. The ten-

nis courts are being used with enthusiasm and minor restrictions. We are encouraged to leave when our games are finished, and the usual social distancing is required. Monday and Wednesday drop-in tennis at 6:30 p.m. feature some good, competitive play. Call Bill Elledge for information at 623-214-1508.

Platform tennis play is still from 6 to 7:30 a.m. Mondays through Saturdays, no Wednesday play. They look forward to seeing new faces, with equipment provided as needed. Hopefully, volleyball will commence soon and depends on the opening of the Surprise gym. Call Mike Kosanda, 701-739-3795, for information.

Table tennis is now being allowed at the Activities Center and the group welcomes all former and new players. Call Lanny Leathers for information at 623-584-6231.

Be sure to take advantage of the free use of the ball machine; you must be certified and a current club member. Contact Mark Johnson at 214-288-5980 for anything you need to know. The machine can be checked out with the monitor at the Activities Center.

Oct. 13 is the scheduled date for our next meeting, but keep posted for information; it may have to be another virtual affair.

WEAVER'S WEST

Weaver's West Guild of Sun City West welcomes all new, experienced, and interested residents to visit our newly remodeled studios in Kuentz Rec Center, when we reopen in the Fall. Our studios are in the final stages of renovation currently, but we anticipate being back in our studios by the end of September. Masks will be required if you wish to tour our rooms until the current situation changes.

Our guild houses a wide variety of looms and accessories, a lending library of books, periodicals and DVDs related to all things weaving and spinning. Classes are held throughout the year and include Rigid Heddle Loom (Weaving I), Weaving II (table loom) and weaving III (floor loom). Additionally, classes are held on various other types of weaving, weave structures and a variety of other weaving-related topics. Guild members are always glad to assist each other if you need assistance. We are also home to a fiber store for members only. The guild holds monthly meetings and frequent classes for every level of weaver.

Our spinning group meets weekly and monthly guild membership meetings are held on the first Monday of the month at 9 a.m. (social time) with business discussion at 9:30. We also hold frequent opportunities to socialize and make new friends.

If you would like to tour our new studios, please stop by. We are open 9 a.m. to 4 p.m. Monday through Friday. Once the studios are reopened, a monitor can be reached at 623-544-6515 if you have questions. Please see our website for guild information, photos, and other information: weavers.scwclubs.com.

WESTERNAIRES

Because of Rec Center COVID-19 pandemic policies, the 85-member mixed Westernaires Chorus has cancelled its Fall program and performances. The Chorus will resume next Spring with its first rehearsal at 8 a.m. on Thursday, Jan. 7, 2021, in the "Back 40" of the Stardust Theater. The Westernaires, one of the oldest chartered clubs in Sun City West, will present its Spring shows at the Stardust Theater in March 2021. Sun City West residents interested in singing and performing with the Westernaires may contact Director Sylvia Collins at 623-214-6112, for more information.

This photo is from the Mac-Cro-Knit Club Spring 2020 Knit-in at the R.H. Johnson Library. Our members use any donated yarn to support our many charities. These include bags for women's shelters, baby hats and blankets for numerous hospital and veteran projects, afghans for veterans in rehab centers, bed shawls for hospital and chemo patients, Christmas bags for homeless veterans' children, and many more.
