## Press Release

12/10/2020

# Rec Centers of Sun City West to implement new COVID-19 safety measures for remainder of 2020

*R.H. Johnson Library moves to curbside pickup only;  
Membership visits are by appointment only*

With COVID-19 cases on the rise in the state of Arizona and with the expectation that the trend will continue through the holiday season, the Recreation Centers of Sun City West will be implementing new COVID-19 safety measures for the remainder of the calendar year.

Starting Monday, Dec. 14, the Membership Department will be requiring all members to schedule an appointment if they wish to visit the Member Services office in person. This will help limit the number of people inside the office and provide a safer environment for both staff and members. To schedule an appointment, please contact our Membership Department at 623-544-6100. The Member Services office is open from 8 a.m. to 2:30 p.m. Monday through Friday.

Members are highly encouraged to avoid coming into Membership at all, but rather to make payments online or through the phone. To make a payment online, members may visit our member portal ([suncitywest.totaleintegrated.com](http://suncitywest.totaleintegrated.com)). An email on file with the Membership Department is required to create an online account. Phone payments can be made by calling 623-544-6100. Visa, Mastercard and Discover are all accepted. Checks may be dropped off at the Membership drop box right outside the office or mailed to RCSCW Member Services, 19803 R.H. Johnson Blvd., Sun City West, AZ 85375. Golf card purchases may also be made via phone by calling Membership.

In addition to the changes in Membership, the R.H. Johnson Library also will be implementing new safety measures for the rest of the year. Starting Tuesday, Dec. 15, the library will only be allowing members to check out items using their curbside pickup service. Items can be reserved for curbside pickup through the library's online catalog ([catalog.scwlibrary.com](http://catalog.scwlibrary.com)) or by calling 623-544-6130. Members will then be notified by library staff once their items are available for pickup. When picking up, members must

provide their rec card number to staff in order to receive their items. Checked out items can be returned via the book drop boxes, which are available 24 hours a day.

The Data Resource Center in the Library will be available at 50 percent capacity by appointment only. Visits are limited to one hour in the DRC. Access to the rest of the Library will be prohibited. Call 623-544-6130 to reserve a computer in the Data Resource Center.

Members are reminded masks are required in all facilities. Your cooperation and understanding is appreciated.
