Committee Chairperson Manual

RCSCW GOVERNING BOARD-- COMMITTEE CHAIRPERSON MANUAL

This manual provides an overview of operations, requirements and etiquette for Governing Board (GB) Committees. It is intended for use by current and prospective Chairpersons. It was written by the RCSCW Governing Board Special Committee on Board Development in February 2019 and revised each year.

The GB has many official documents referring to GB Committees. This manual brings this information into one place. The manual does not alter the content of the official documents. Care was taken to preserve integrity by using the language written in the source documents.

The content was compiled from authoritative sources that are referenced throughout with the following notations:

- (B) SCW Bylaws on Committees - Article 6
- (P) Policy Statement (Policies) C-1 on Standing & Special Committees
- (R) Standing Rules (Rules)-Guidelines for Association Governing Board Meetings--Rules #1 and #3 Revised 2017
- (L) Arizona Open Meeting Law: A.R.S. Section 33-1804. See generally Section 33-1801 et seq.

Additional source documents used but not referenced include GB files on past operations, Consent Agenda procedures, Roberts Rules of Order- Parliamentary Procedures, and general articles on how to effectively organize and manage committees.

This document is provided to all new Committee Chairpersons when they are announced. It is also available on the SCW website under the Governing Board Tab (in the *About Us* website section).

Many of the source documents are available online at the GB BoardDocs website.

- Some agendas, meeting minutes and SCW documents are kept electronically on BoardDocs, an online meeting and information repository.
- Go to gb.suncitywest.com to read documents.
- Meetings, agendas and minutes are in the second TAB called **Meetings**. They are arranged by date. Support materials are attached to agendas in the grey box.
- The third TAB called **Policies** holds the Articles of Incorporation, Bylaws, Policies and Rules via the drop-down menu at 'Book'.
- The fourth TAB is **Library** and holds info on Committees, GB calendars, meeting dates.

Remote/virtual meetings are housed on utube. Visit the SCW website (suncitywest.com) and click on the utube icon at the top of the Homepage. This is where all RCSCW Governing Board Meetings are stored. The icon looks like this:

This document includes a compilation and summary of information and requirements contained in the RCSCW Governing Documents, as well as requirements of Arizona law. If there is a conflict between this document and the RCSCW Governing Documents or Arizona law, the latter two apply.

D. Sub-Committees and Informal Committee Work

A. Sub-Committees

1. Sub-Committees or individuals may be assigned by the Chairperson to draft a course of action for a committee. They are assigned specific tasks and typically complete their assignments by the next few Committee Meetings. E. Committee Composition

A. Chairpersons

1. Chairpersons are Board Directors appointed yearly and announced at the June Annual meeting with the advice and consent of the GB. (B) No formal vote is required. 3. Special Committee Chairpersons or Chairperson vacancies of Standing Committees may be filled at any time during the year.

5. All GB Directors serve as ex officio members on all Committees and may sit at the table to discuss the issues because they are deemed members of the committee for that specific time, however, they may not vote unless they are assigned members of that committee. (B,R) The President of the GB is an ex-officio member of all committees. (P)
6. The Chairperson must be familiar with the RCSCW Bylaws, Policy Statements, and Standing Rules for Committees available online at BoardDocs.

B. Members

3. Staff may serve on committees upon approval of the GM and GB President. (B, P) They serve only in an advisory capacity with no voting privileges.
4. Club Officers may serve on Committees. Paid RCSCW employees cannot serve on Committees. Note that there is a potential for a conflict of interest if an RCSCW Committee Member is also a PORA Board Member or Associate, or on other related Boards.
5. Members may serve more than one year on the same committee, though they must apply and be reappointed each year. It is recommended that to keep committees fresh, a rotation of experienced vs new members is a healthy approach.

**RCSCW GOVERNING BOARD--
COMMITTEE CHAIRPERSON MANUAL**

6. Members serve at the pleasure of the Chairperson only. They may be removed at any time and/or appointed at any time. (P) Chairperson must notify the Governing Board Executive Assistant (GBEA) within 5 days of any membership changes. (B, P)

- B. The Governing Board has adopted an online Committee Application Form for use in identifying interested members with the technical and experience-based qualifications to serve.**
- C. Each applicant should electronically complete the Committee Application Form to include contact information, availability, areas of expertise, and leadership experiences.**

2. Upon request, provides the Chairperson with a data sheet of applicants for a specific committee from the online Committee Applicant database.
3. Upon committee selection, sends electronic notification to chosen committee members to verify email addresses and provide a link to the RCSCW Governing Board Committee Member Handbook.
4. Sends a thank you to applicants not chosen for committees for the year.

G. Committee Conclusion

- A. Committees renew each fiscal year (July1-June 30). They may have a new chairperson + and some committee members should change each year. (B)**
- B. A person's participation as a committee member may end because the term of the committee has ended or for other reasons. When a person ceases to be a member of a committee or the committee concludes, the chairperson notifies the GBEA who then sends a notice to the person confirming they**

are no longer a member of the committee, thanking them for service, and linking them to the Committee Evaluation Survey.

- C. All committee members (including the Chairperson but not the advisor) complete the Committee Evaluation Survey. Input from staff assigned to the Committee should also be informally solicited.
- D. Committee members complete a new Committee Application Form if they desire to again be considered for any committee. Upon request, the GBEA will withdraw a committee member's application from the electronic file at any time.
- E. Compiled survey results are shared with the GB President and both incoming and outgoing Committee Chairpersons for continuous improvement.

H. Committee Meetings

A. General

1. Meetings are work sessions that allow for discussion and drafting of courses of action. (P) Meetings may follow "Consent" format along with Roberts Rules order/Parliamentary procedure.
2. Committee meetings and sub-committee meetings are 'open' or public thus follow Arizona Open Meeting Laws. (B, P, R, L) No continued discussions of meeting agenda items are allowed after a Committee meeting is adjourned.
3. Closed meetings are allowed only for these specific topics: Legal advice from the Association Attorney; litigation; personal, health and financial information about an individual RCSCW member; and matters relating to employee job performance. See Policy Statement C-1,3.5.2 (P, L)
4. An appointed Chairperson oversees the meeting and has the authority to control the meeting. The chairperson is responsible for ensuring that projects and tasks fall within the general scope of the committee and for all communications.
5. A Committee may not adopt its own rules except as authorized in the Bylaws or in instructions given to them by the GB.
6. A Committee does not have the right to punish its members for disorderly or other improper conduct but should report disruptions to the GB. However, members of a committee may be removed from the committee at any time by the Chairperson. (P)
7. A Committee or Chairperson does not have the authority to set policy, direct staff, or make binding decisions on matters other than Committee specific membership and operations.
8. Issues should be brought to the GB for discussion or authorization if: (R)

**RCSCW GOVERNING BOARD--
COMMITTEE CHAIRPERSON MANUAL**

- b. The scope exceeds the traditional responsibilities of the Committee.
- c. The issue involves anyone who is not an Owner Member.

- f. The subject of the work is controversial or sensitive to the staff or association.
- g. Communications are required with Owner Members, media, contractors and/or agents.

B. Meeting Schedule

1. The GBEA arranges tentative dates, times and reserves meeting rooms by May 1 to avoid conflicts. All meeting room scheduling goes through the GBEA. The Chairperson confirms the Committee meeting schedule by August 1 for the entire fiscal year with the GBEA. (P) Only the GB Executive Assistant interacts with the Scheduling Department to set meetings.
2. Special Committee chairpersons provide the schedule after receiving the President's timeline, including the number and frequency of meetings based on need, or as directed by the President. Meeting times should be coordinated with the GBEA to avoid conflicts in order to secure meeting rooms.
3. Meetings must be held on REC Center facilities between the hours of 8am and 8pm, unless approved by the GB. (P, R) Committee meetings are held in the Governing Board Conference Room (GBCR) located in the GB Administrative Offices at RH Johnson with rare exceptions. At times, meetings may be held virtually via JoinMe.

Meeting schedules are posted by the GBEA or Media/PR Department on the RCSCW website, Association bulletin boards, social media and issues of the REC Center News and the E-News (P, R) If for any reason a meeting is rescheduled by date, time or place, the Chairperson immediately notifies the GB Executive Assistant, so the public can be notified of the change. (P)

4. All Chairpersons must be apprised of any informal meetings that take place among Committee Members outside of scheduled Committee Meetings and assure that members do not act on their own.

C. Agendas

1. The Chairperson clarifies the meeting purpose in the agenda and generates agenda topics. Agendas should include statement of purpose, call to order, quorum, introductions, announcements, discussion items, unfinished and new business, presentations, comments, adjournment, and next meeting date. The GBEA creates the written agenda using a Board Docs template.
2. Committee meeting agendas and schedules must be posted for Public Notice 48 hours in advance of Committee meetings via the RCSCW website/BoardDocs and public posting sites. (R, L)

RCSCW GOVERNING BOARD-- COMMITTEE CHAIRPERSON MANUAL

Therefore, chairpersons should provide the GBEA an agenda a week prior to the meeting and confirm 2 days prior with any changes or attachments for the meeting.

At times, pre-recorded videos of presentations may be used at agenda items. Links to these videos will be provided to Committee Members in advance for early review.

3. The agenda may not be amended by the Chairperson prior to or during the meeting; however, agenda items may be removed/modified at meetings. No additional items may be added. (L)
4. Committees may operate under a Consent Agenda process. Routine business and reports are presented to members prior to the meeting and voted on in a single action. Other items requiring discussion are handled in a traditional manner. Typical items in a consent agenda include minutes, financials, reports, correspondence, dates of meetings, and informational background.
5. Agenda copies are organized in BoardDocs and sent to committee members via email link by the GBEA.

D. Yearly Plan/Goals

1. Chairpersons provide a formal orientation for committee members which should include the charge of the committee, meeting guidelines, specific goals, committee history and any other information deemed valuable. (B)
2. The first meeting of the year should include a review of the Committee Member Handbook, appointment of a Committee Secretary and input from committee members on yearly goals. Generic yearly plan/goals are posted on Board Docs by Aug 1 which match the tasks outlined in Policies. Chairpersons provide more specific goals for the year, present them to the committee and finalize by Oct. 1 for GB approval. (R)
3. Chairpersons conduct an annual review on **Policies** relating to the Committee and provide a written request from the Committee regarding any Policy changes by the January GB Workshop (P)
4. If applicable, any capital improvement requests from the committee are due to the GM by Dec. 1. (P)

E. Minutes

1. All Committee minutes are taken by a Secretary chosen from among the committee members. The secretary may be permanent or rotating.
2. Minutes include date and time of meeting (beginning and end), member and staff attendees, quorum met, approval of minutes, unfinished and new business statements of results, any motions or votes taken, specific recommendations to the GB, attachments, member and guest comments, and notification of the next meeting. Use of the expanded agenda template provides consistency among committees.
3. Committee Secretaries/Secretaries Pro Tem email draft minutes to the Committee Chairperson. The Chairperson then emails the approved draft minutes (with any changes) to the GBEA within 24 hours

RCSCW GOVERNING BOARD-- COMMITTEE CHAIRPERSON MANUAL

- of receipt for publication on BoardDocs which must occur within six days of the meeting (unless excused by the President). (P)
4. Drafted minutes are included for approval or revision in the agenda at the next Committee Meeting.

F. Recommendations

1. Committee recommendations to the GB are decided by the Committee through consensus. If there is no opposition, the recommendation is unanimous. If there is opposition, a majority support (51+%) is required. The chairperson may vote to break a tie.
2. A motion is a recommendation to the Governing Board in the form of a formal proposal. No seconds are recorded since consensus is regarded as a second.
3. A quorum, a majority or 51%+ of the members of the committee, must be present to make the recommendation. If a quorum is not present, the committee may discuss, but not vote to recommend.
4. Recommendations are limited to the scope of the committee. (R)
5. Recommendations may be made regarding 1) Bylaws or Policy change (prior to the January GB Workshop), or other matters to the GB. (B, P), and 2) Capital Equipment and Projects to the GB and GM prior to Dec. 1. (B, P)
6. Recommendations should be drafted in polite/complimentary language and stated as: "The Committee recommends that the Governing Board_____." The GBEA often helps to format Committee recommendations into GB motion language.
7. It is the responsibility of the Chairperson to write the recommendation to the GB President, signed and dated. (B) Email via Microsoft Word is preferred.
8. The GB decides whether a Committee recommendation deserves a vote at a GB Meeting or whether another course of action is needed to address the project or task. (R)

G. Performance Review

1. The Chairperson submits a written End of Month (EOM) Committee report monthly to the GBEA one week prior to the Regular GB Meeting. This document, in paragraph form, summarizes and condenses the Committee's work for that month for the purpose of keeping the GB informed. If committee minutes are extensive, reference can be made to them. The GBEA **formats** EOM Reports but does not **edit** submissions.
2. Like the EOM Report, the Chairperson submits a written End of Year (EOY) Committee report for the Annual Meeting in June, due one week prior to the Annual Meeting. Each Chairperson presents their EOY Reports at the June Annual Meeting. (B)
3. Committees conduct annual reviews of their own performance near the end of the fiscal year or the Committee term. The Committee Evaluation Survey located in the Appendix and sent by the GBEA is used to collect member opinions.
4. Evaluation Survey results are used to help the Chairperson make decisions about the Committee performance, operations, and future directions. Results are also shared with the next year's Chairperson.
