Drawing 1:

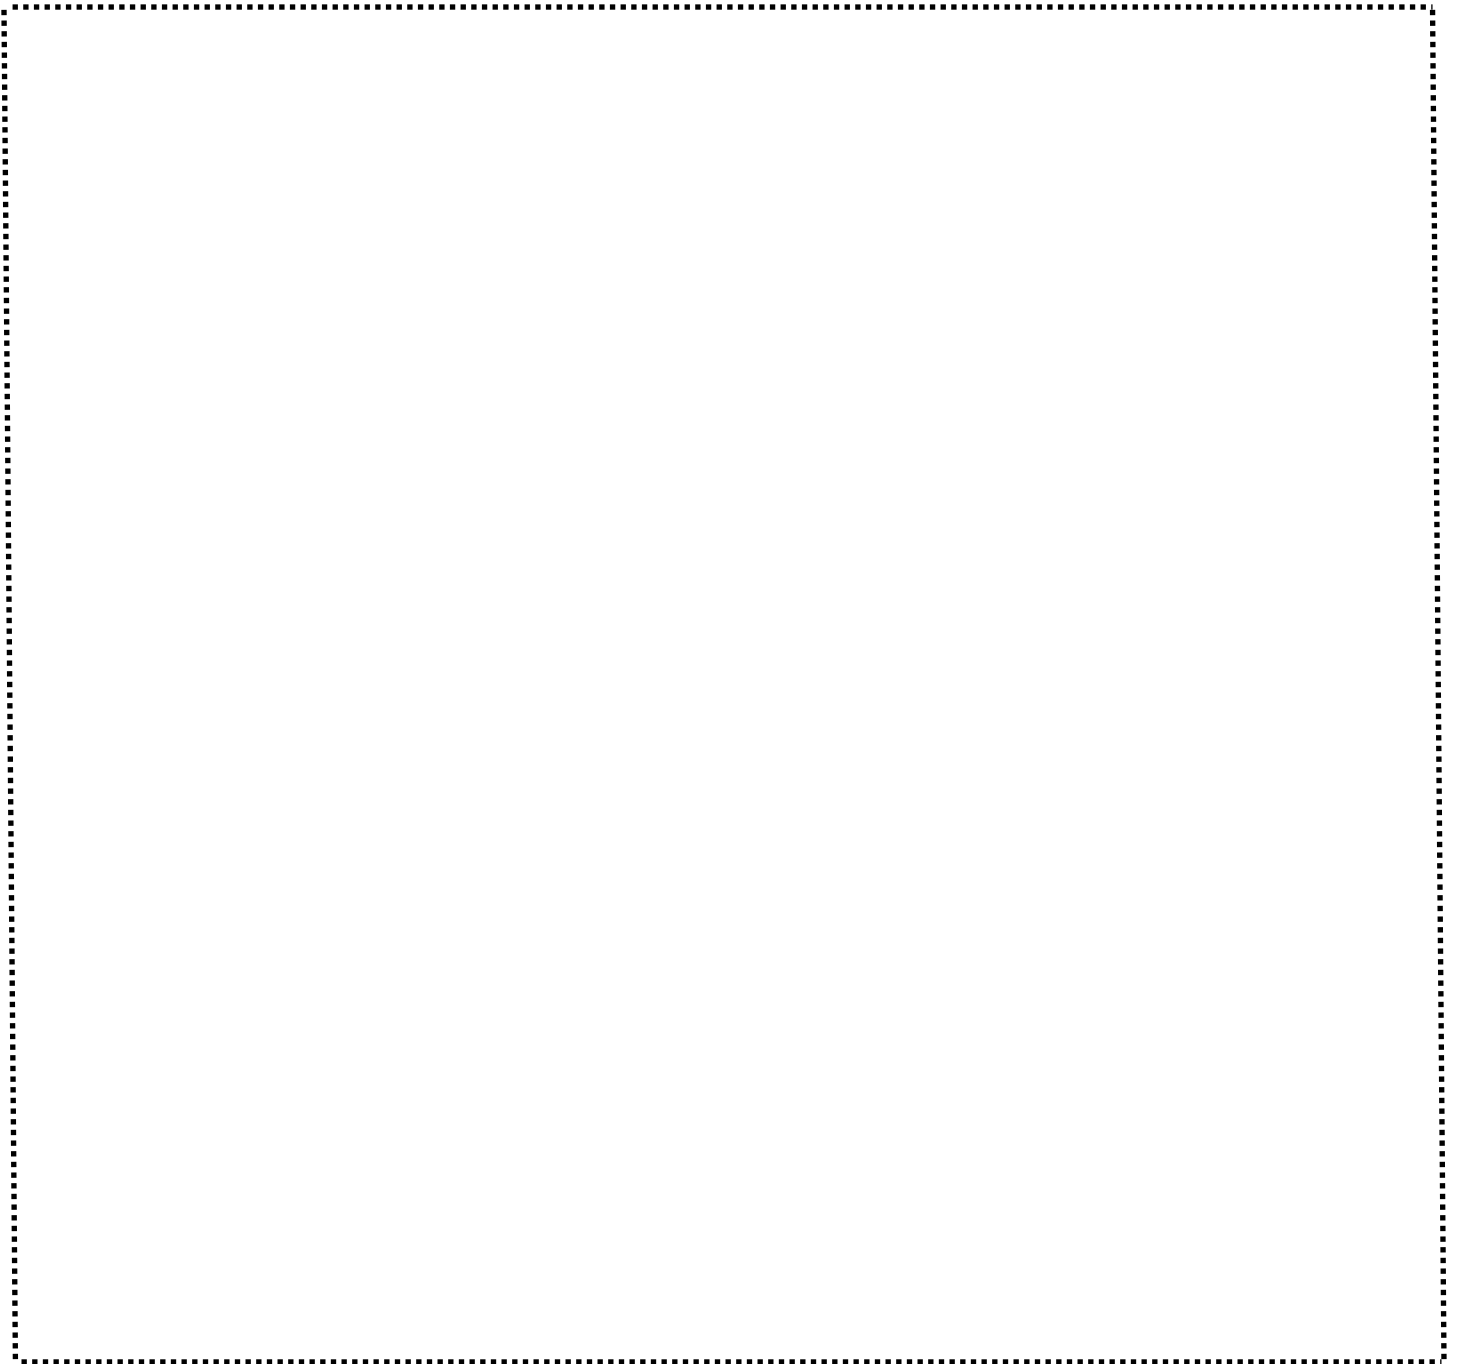

I have a tropic tree in my location,
This art group uses a lot of concentration!
The Sun makes me beam,
In my corner you must gleam!

Draw 1 of your favorite art pieces displayed in a window!

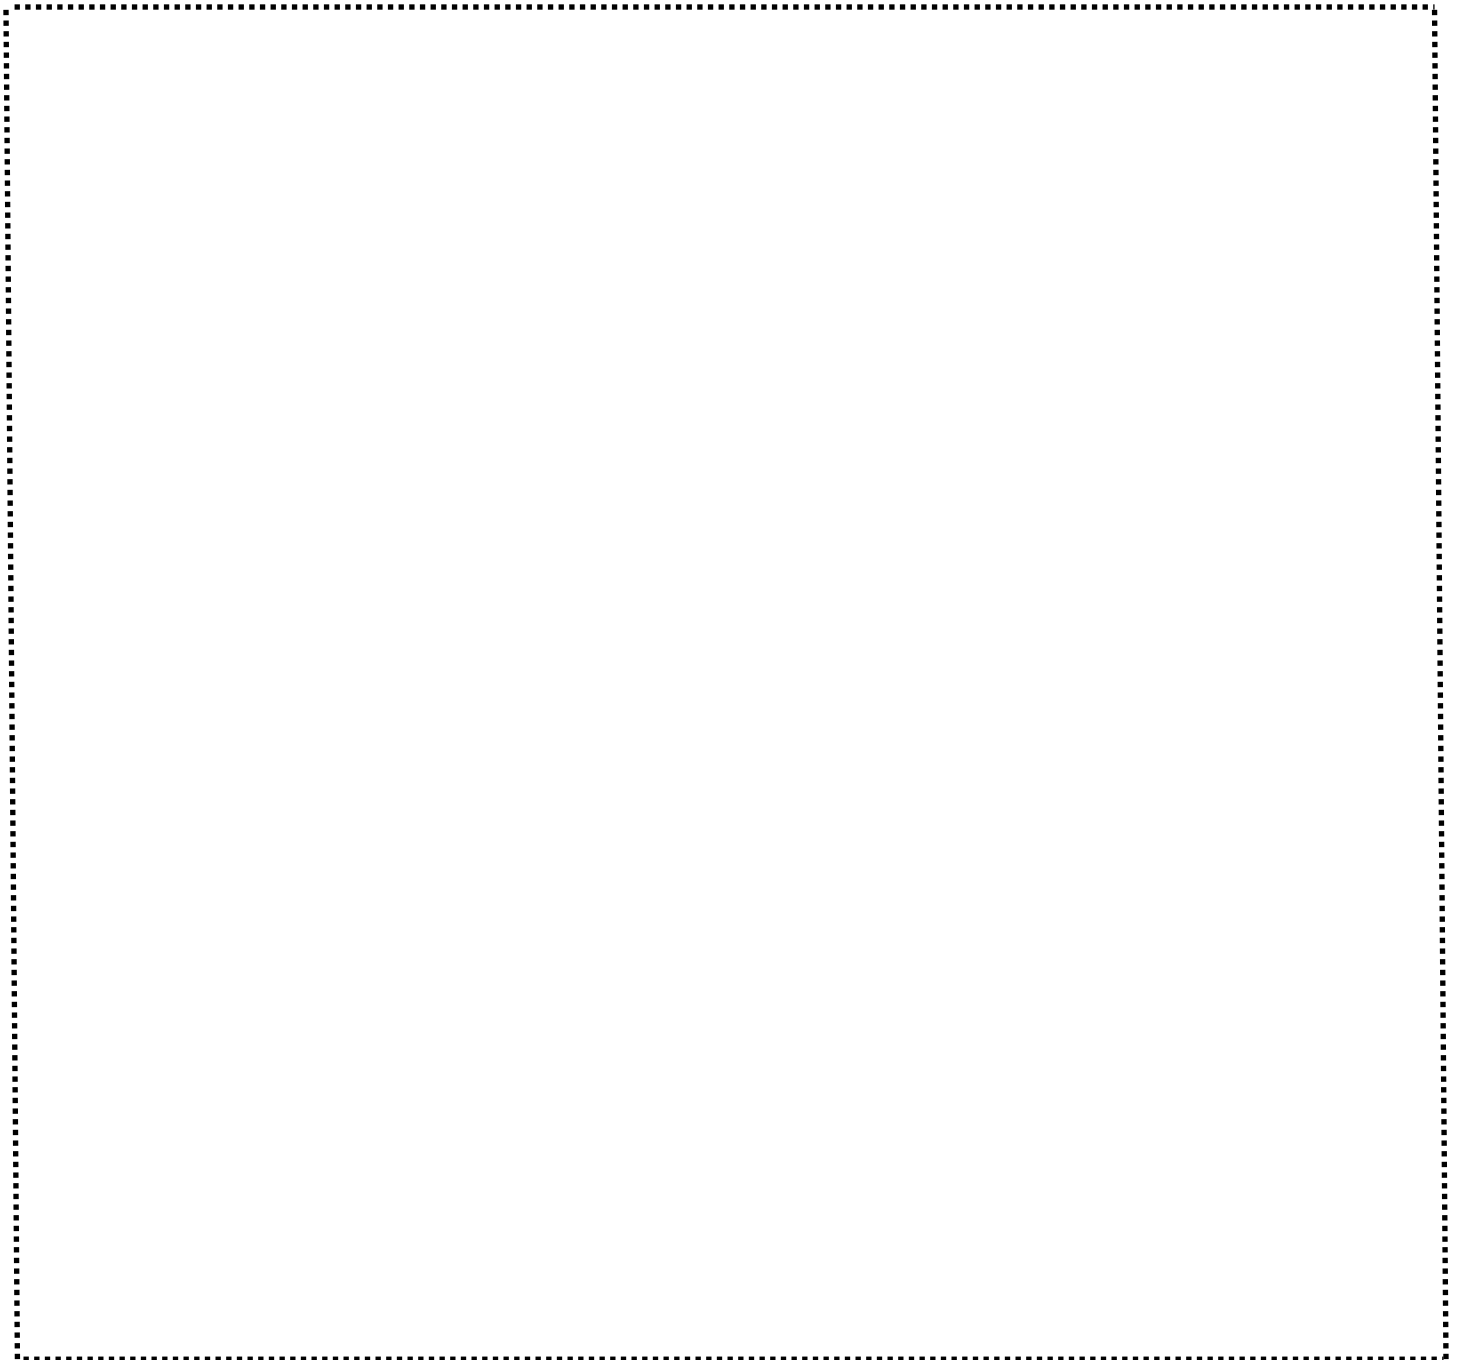

Drawing 2

Wait till you see what I can do,
I'm located where we proudly consider new!
I'm rolled but I'm not a ball,
I have several faces but I'm not a group of people,
I'm a cube but I'm not made of ice!

Drawing 3

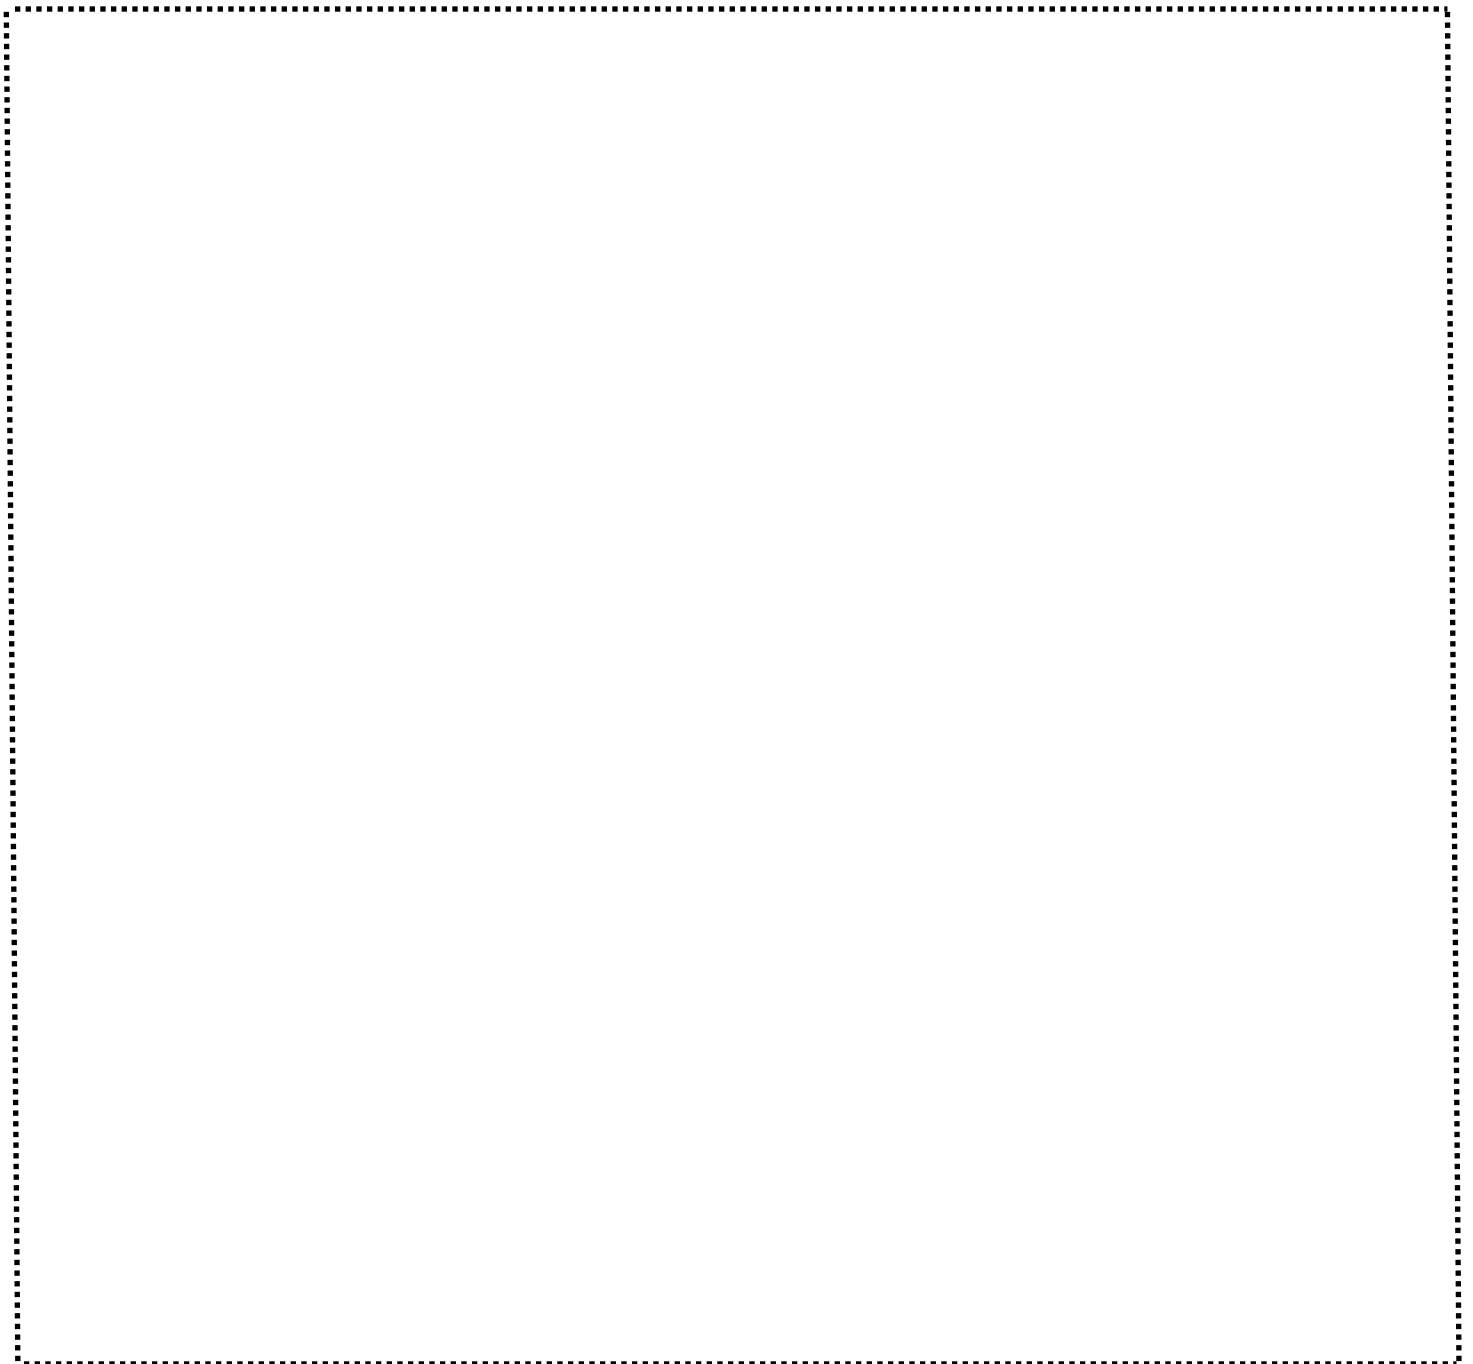

I flutter near a place to reflect,
It's beautiful so we can connect!
I feed on nectar but I'm not a bee,
My color in the sun will move with glee!

Drawing 4

We just got a facelift in 2018,
There are 10 pieces of metal art that must be seen!
We are surrounded by 2 different types of sounds,
On the weekends people come in rounds!

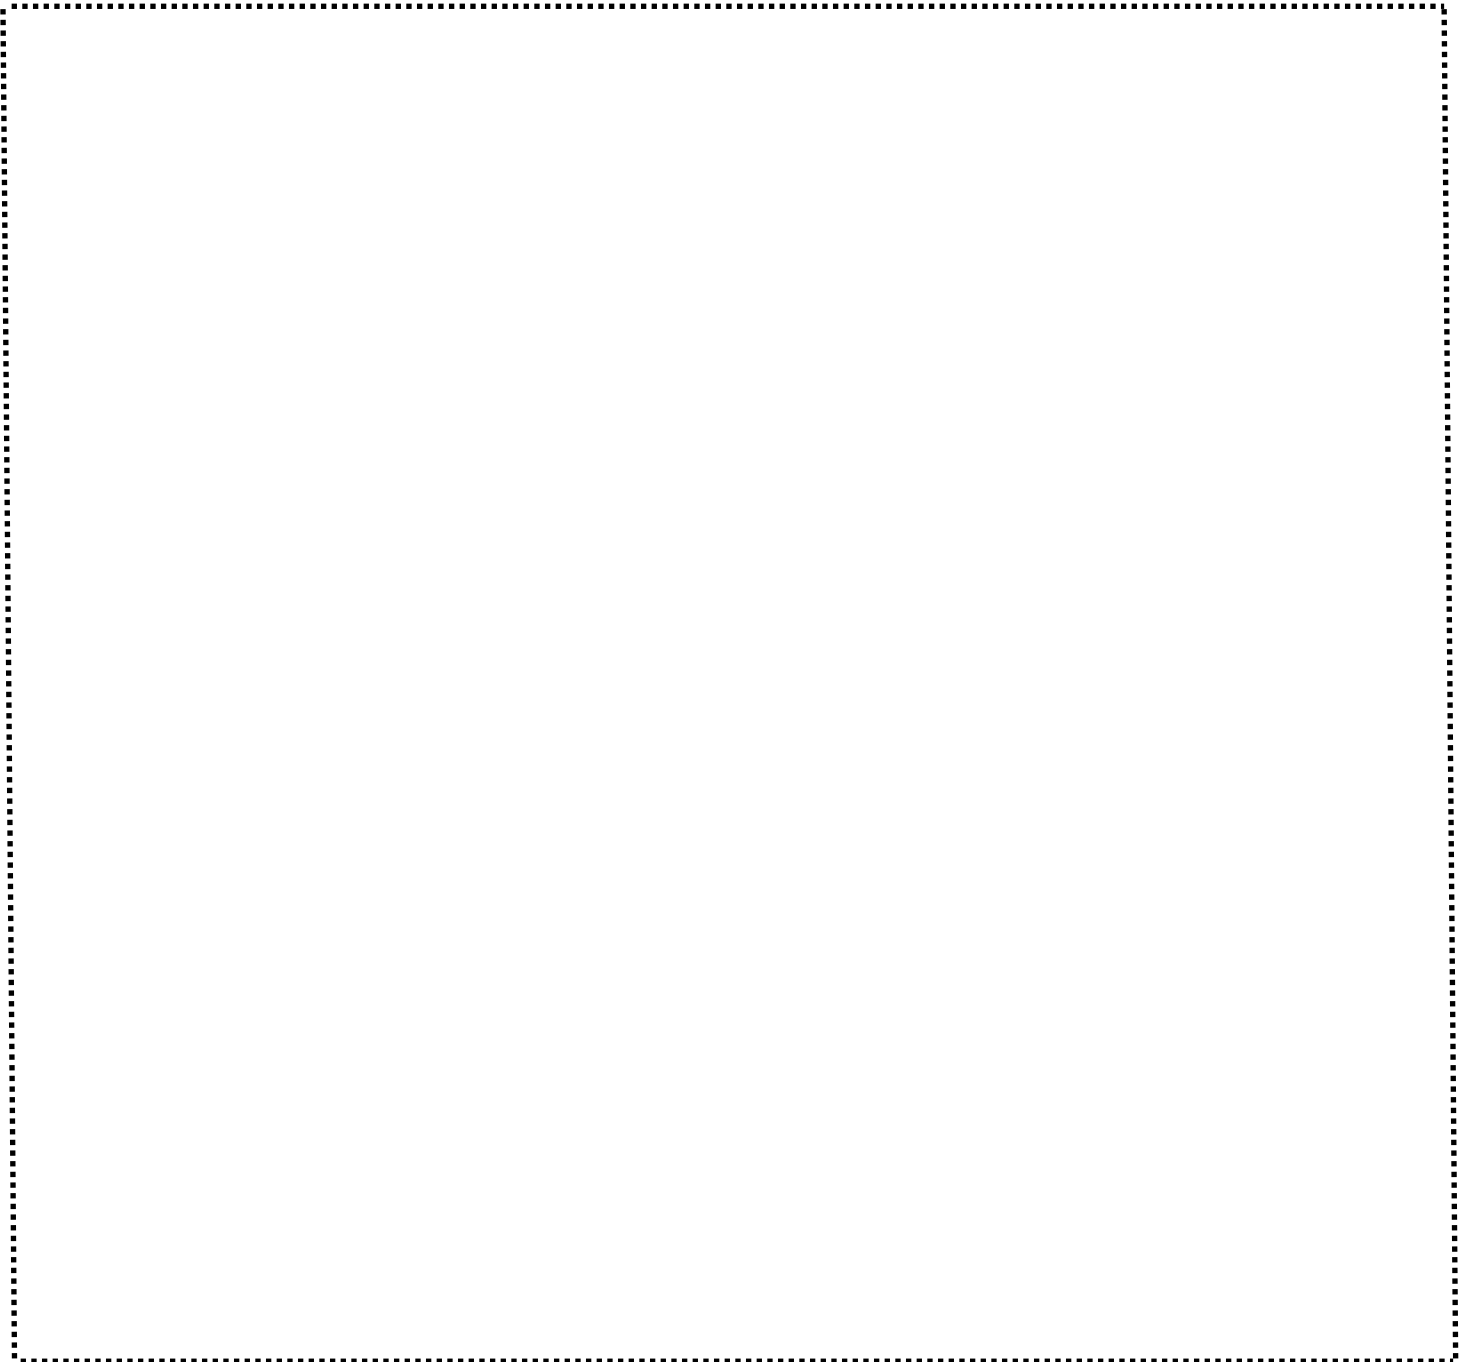

Draw 1 of your favorite art pieces displayed

Drawing 5

At this location you may remember the ballet,
Our forms of art will not decay!
I am displayed in a courtyard outside of my room,
Near beautiful plants that regularly bloom!
