

Dear (Child's Name),

Ho, Ho, Ho, and Merry Christmas to you and your family! It is almost Christmas Eve, and the reindeer and I are so excited to visit (name of town) again this year!

I have checked my naughty and nice list, and I am so happy to see your name on my nice list this year! That makes me and Mrs. Claus very happy. 😊 I believe I saw (name of Friend) also on the nice list so let (him or her) know.

It is hard to believe how big you are getting. I cannot believe you are (age) years old. You are doing so well in (#) grade and Mrs. Claus is excited that you like (favorite subject) so much. She also likes how well you play with your classmates, do your homework and listen to your teacher. We are so proud of you, and I know your family must be proud too!

Everyone up here at the North Pole has been very busy getting ready for the big night. The elves are finishing the toys, and the reindeers are getting the sleigh ready. I know you have (name some toys) on your list and I have talked to the elves to make sure we have those on the sleigh for you. I cannot promise I will have them all, but I will try my hardest.

Rudolph and all the other reindeer are looking forward to visiting you on Christmas Eve. Rudolph has asked for you to leave some carrots out and of course some cookies and milk for me because we all get hungry delivering so many toys all around the world. Make sure to go to bed on time!

Wishing you a very Merry Christmas!

Love,

Santa
