IV. Green Team Golf Info

➤ The Green Team's "savvy computer" volunteer, Dan Vilcek, will be available on Saturday June 4th at Stardust Golf Course. He will assist Green Team's members with the process of signing up for a tee time and accessing the portal to set up an account, which is where Green Team members sign-up for Green Team golf-skill clinics. Each session will be approximately 15 to 20 minutes with 2 to 3 members per session. If you have a tee time on June 4th and wish to sign up for one of his sessions, please sign up for a time that does not interfere with your tee time. We can add more sessions if there is enough interest. Based on the input we receive from members; these slots should fill up with a need to add more.

The following are the time slots for **Saturday, June 4, at Stardust**. If you wish to attend one of these sessions, please "**reply**" to this email with your name, your email address, and two (2) time slot options you want to sign up for. In the event a time slot fills up between emails coming and going, include your first time slot option and a second one as a backup.

Did You Know This Fun-Fact About Golf?

“First 18-Hole Course Was on a Sheep Farm

America’s first 18-hole golf course constructed on a sheep farm in Downer’s Grove, Illinois in 1892. Businessman and golf lover Charles Blair McDonald moved to this quaint town and began constructing the course with his colleagues. The Downer’s Grove Golf Course is still intact after all of these years, although its since been downsized to 9 holes.”
