III. Green Team Green Team 101

We recently announced our first Green Team 101 Presentation of 2023. It is scheduled for **Tuesday, January 10, 2023, at 5:00 p.m. in the RH Johnson Lecture Hall.** If you are interested and have not signed-up, send an email to greenteam@suncitywest.com with your name and indicate you want to sign-up for the GT 101 Presentation. We will send a confirming email back to you.

At the conclusion of the presentation, you will have the opportunity to sign-up for part two of GT101, which is the On-Course Review.

The Green Team 101 Program is open to all Green Team golfers. We recommend that all members attend this program. It was created to help facilitate the sharing of information to a beginner golfer and to reinforce this same information for all of you that are not

beginners. No matter which type of golfer you are, you know there is a plethora of golf information to absorb and apply and sometimes it takes time and constant reminders to understand all the nuances that golf requires

GT101 is a two-part program with a Presentation being the first part and the second part is an On-Course Review. The golf rules, policies and etiquette discussed in the presentation often gets lost on not only the new golfer, but all other golfers as well. The On-Course Reviews will help drive the lessons home. These will take place on Stardust Golf Course late in the day. You will not golf, but a Green Team Mentor will walk (or drive) you through one or two holes.

Golf-Skill Clinics

The January, 2023, golf-skill clinic schedule has been distributed to all Green Team members.

**Interesting Facts
About Golf Gear**

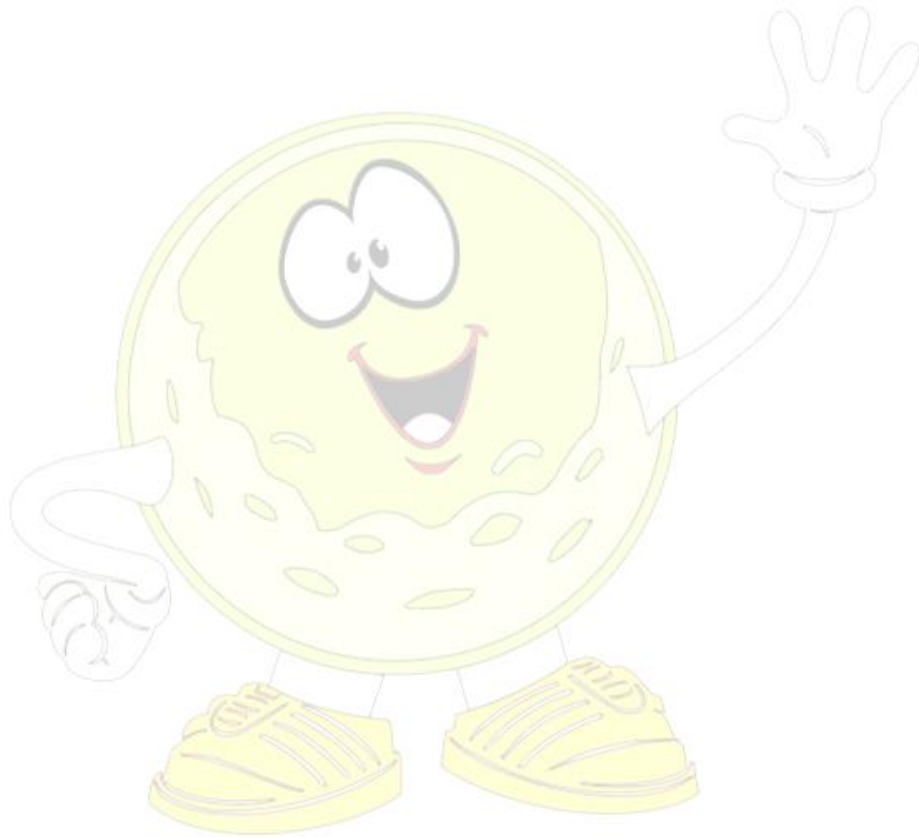

"The unofficial record for playing the most rounds with the same golf ball belongs to Judge Michael Nehemiah Manning of Talladega, Alabama. He bought a Pro-Flite ball on November 15, 1928, and retired it on January 28, 1929, after completing 46 rounds of 18 holes each. His average score was 82, about 2,000 blows, not counting putts."
