Refunding Prepaid Golf Cards at Membership/Accounting Office:

A Member in good standing of RCSCW who has purchased a discount golf card may seek a refund due to death or physician order or may request an upgrade of their existing golf card.

Refund: A refund request can be made by submitting a refund request form if one of the following two criteria is met: Death of the cardholder or a physician's order stating the cardholder cannot continue to play golf. The amount of refund on a golf card shall be calculated based upon the number of rounds actually played by the Member. Each round shall be valued at the actual daily resident fee, based on the date and time played during the active period of the card. The cost of each round played shall be totaled and that amount subtracted from the original cost of the card. An administrative fee as approved by the RCSCW Governing Board shall be applied to the refund. The remaining amount shall comprise the refund amount.
