New “Safe and Secure” Healthy Travel Plan

To help provide a safe and secure travel experience, Allied Tour & Travel will apply the following:

1. Our motor coach company, Arrow Stage Lines, uses an EPA Registered CURIS Decontamination System that provides a No-Touch, Whole-Vehicle delivery system which kills 99.9999% of germs so you can be confident in your Allied tour.
2. Motor coaches are cleaned with soap, water, and disinfectants after each trip. Drivers clean surfaces with disinfectants at the end of the day on multi-day tours. Hand sanitizers are available on each bus.
3. All of our vendors (hotels, attractions, restaurants, etc) are taking extra steps to provide a cleaner, healthier travel experience.
4. All passengers are encouraged to purchase the cancellation protection offered for each tour in the event you need to cancel your tour before it departs. Should you desire travel protection for after your tour departs, ask about our Travelex insurance that provides trip interruption benefits. This will protect you in the event you need to interrupt your tour after it departs due to covered health reasons. Interruption insurance helps with medical expenses should you become ill or injured while on tour and you meet the insurance criteria.
5. **Please notify us of any special needs at the time of reservation.** We will make all reasonable efforts to assist with your travel arrangements. However, it is strongly recommended that a traveling companion come along to help with any special needs of anyone with a disability. Allied tour guides have responsibilities for the entire group and can't provide one-on-one care. This includes boarding motor-coaches, airplanes, cruise ships, etc., traversing hotels, restaurants, attractions, other personal needs, etc. Contact Allied if you have any questions.

Tours are fun and we want to make the experience as enjoyable as possible. These steps will help make traveling a safer one, but note that no travel is ever totally risk free. We will be flexible regarding this plan, adding or deleting depending on current circumstances.
