1. Check Your Tee Time

Actual tee times can change from what you initially requested. If there are gaps in tee times, Golf Operations will not let tee times go idle. Instead tee times will be moved up wherever there are gaps. Confirm your tee time the afternoon prior to the day of play by going to your portal account and looking under "My Itinerary" or calling the golf course and giving them your rec card and asking them to do a search.

- Echo Mesa at 623-544-6014

3. How to Get Ready for the First Tee Box:

- Your foursome needs to go to **on-deck** when the starter calls you or when you hear the tee time prior to yours being called to the tee box. Please do not proceed to the tee box until the starter calls your group to the tee box.

4. Golf Ball Goes into Yard

If your golf ball goes out of bounds into someone's yard, do not trespass and go into the yard to retrieve your ball.

The golf course does not own the yards of homes on the golf course. Those yards are private property. The fee you pay the starter to play golf gives you the right to be on the golf course. It does not give you the right to go into someone's yard. Those yards are private property.

There are white stakes marking the golf course boundary lines separating the golf course and private property. Under no circumstance should you hit your ball while it is in someone's yard.

5. Sand Bunker Etiquette

When you have hit your ball out of the sand bunker, use the rake to rake over your footprints. Return the rake so it is half in the sand bunker and half out.

6. Printed Handouts Available

There are numerous printed handouts available to all golfers. Please contact the Green Team at greenteam@suncitywest.com if you are looking for specific information, go to the kiosks at each golf course, or go to the suncitywest.com website under "GOLF".

7. 15-Inch Holes

Once or twice a year the Green Team plays with 15-inch holes on all 18 greens, and they are marked with black and white checkered flags. There will also be the regulation 4.5-inch holes in addition to the 15-inch holes and the choice is yours.

This has the potential to be the most fun you have had on a golf course!!!

HOLE-IN-ONE ON 15-INCH HOLE:

One word of caution, if a Green Team member gets a hole in one using the 15-inch holes, it cannot be recognized in the usual way since the hole in one program is a PGA program which only recognizes the 4.5-inch regulation holes. If you do get a hole in one in the 4.5-inch regulation holes, document it at the club house and bask in community wide recognition.

If you do get a hole in one with one of the 15-inch holes, please report it to the Green Team at greenteam@suncitywest.com so they can at least give you Green Team recognition. In the email include which hole, club used, yardage, and the course.

14. Green Team's Saturday's Arrival Time

ARRIVE 30 MINUTES PRIOR TO YOUR TEE TIME!!!!

Tee times FREQUENTLY CHANGE at the last minute, such as last-minute cancellations. When they do Green Team will combine and bump-up or bump-back tee times or combine tee times if necessary.

HOW WILL YOU KNOW IF YOUR TEE TIME HAS CHANGED AT THE LAST MINUTE DUE TO LAST-MINUTE CANCELLATIONS? By arriving 30 minutes prior to your tee time.

It is imperative that every Green Teamer arrive 30 minutes prior to their tee time! Upon arrival a Green Teamer needs to: **1)** Check in at the Green Team table; **2)** Find out if their tee time has changed or if their foursome has changed; **3)** Check in with the Starter and pay the golf course for your green fee and if needed a golf cart.

15. Green Team's 1st Tee Time:

- During the busy season it is 11:00 a.m. using both the front and back 9 for 9-hole play. The summer hours will have an earlier start time.

16. Range Ball Cards:

- Range Ball Cards can be purchased from any of the 7 SCW golf courses or from Golf Operations Office at Pebblebrook Golf Course. They can be used in the range ball machines at any of the 7 SCW golf courses. Bring your rec card with you when purchasing one. There is no expiration date on them.

17. Medical Flags:

- To obtain a Medical Flag, take a medical note from your doctor or your ADOT placard card to the Golf Operations Office at Pebblebrook Golf Course. They will put a sticker on the back of your Rec Card. Show that to the starter when checking in to play golf and they will issue you a Medical Flag to put on your cart. This allows you to drive within 15 feet of the green versus 30 feet without the flag. This is the only advantage of the Medical Flag.
