

# Green Team Name Tags

Green Team members have three (3) options to order a Green Team name tag.

1. You can order your Green Team name tag at your convenience. Below is information to assist you and standardize all Green Team name tags.

You will order through Amazon. Here's the link:

[Amazon.com : Custom Laser Engraved Name Badges with Pin, Magnetic, Adhesive, or Blank Backing, Durable Personalized Name Tag with 3 Lines of Custom Texts, Clear and Easy to Read, 10 Colors \(1" x 3"\) : Office Products](#)

You will need to customize your name tag.

There is a tab to the right that says "Customize Now"

Here's the Customization information:

Color: choose Green background/White text

Backing: you choose, magnetic or pin

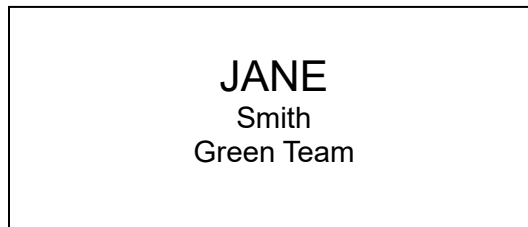

Font: choose Arial.

Line 1: Insert your FIRST name in CAPITAL LETTERS.

Line 2: Insert your Last name using both upper and lower case.

Line 3: Insert Green Team using both upper and lower case as shown below.

The resulting name tag will look like this:

A Green Team member ordered one for \$8.48 (\$3.99 name tag, \$3.99 shipping, plus tax) and it took twelve (12) days to receive the name tag from date of order. A local vendor may be the same lead time.

2. Print your name on a "sticky-back" name tag each Saturday that you play Green Team golf. They will be provided by the Green Team at the check-in table.
3. Wait for the new Green Team coordinator to decide if he or she will order through a local vendor. If you choose this option, we ask that you use a "sticky-back" name tag on Saturdays until that decision is made.

Thank you, Green Team member, **Michelle Barstad**, for researching the Amazon order and putting the instructions and link together for us!

Happy Golfing,
