Desert Garden Club gives \$3,000 to SCW Foundation/Helping Hands

The Desert Garden Club of Sun City West has been supporting local charities since 2022, when they became a 501©3 organization. Through their plant sales and events, the club just made a generous donation to Sun City West Foundation, Helping Hands. With the winter season just about upon us, traffic at Helping Hands is picking up and having good quality medical and children's equipment to loan is of utmost importance. The \$3,000 donation will go a long way in offsetting recent costs incurred in upgrading hundreds of pieces of equipment as well as repairing used equipment for our Helping Hands Resale shop. When you need it longer than 90 days, consider purchasing it from Helping Hands! Helping Hands will often serve over 100 people a day. Yearly, over 15,000 people are served through Helping Hands.

Helping Hands depends solely on the generous donations of our residents and service-focused clubs like the Desert Garden Club. They are truly not afraid to "dig in" and "get their hands dirty" supporting vital charities and services within our community and Sun City West Foundation is grateful for their continued support.

Helping Hands is always in need of volunteers. If you have some time to *Lend a Helping Hand*, we need you! Stop by or call Helping Hands to get a tour and learn more
Sun City West Foundation is a non-profit community center supporting charitable, educational, and service activities that serve Sun City West. In addition to Helping Hands, banquet and meeting rooms are available to rent for your private events, clubs, civic service, commercial and religious organizations.
