

# Anne Becknell

I am running for the Sun City West Governing Board to help create a more harmonious, and forward-looking view of our resources and finances, to ensure that we continue to maintain the excellent standards we have enjoyed in the past and safeguard the future growth of Sun City West. I plan to accomplish this through; solidarity, cooperation, and mutual trust to continue to contribute to an improved quality of life.

## Experience

### **Work History - Senior VP Client Services – Technology Industry**

October 1978 - Retirement

Over my 40+ years in business, together with my business partners, was successful in building multiple software technology businesses that grew from a small team and zero clients into industry leading applications and organizations worldwide. Leading hundreds of staff at all levels and managing thousands of clients.

### **Retirement & Sun City West**

March 2008 - present

My husband, John, and I purchased our first home in Sun City West. In 2008 as snowbirds and became full-time residents in 2013. Since then, I have had the opportunity to participate in many of the clubs and organizations in Sun City West including;

**Lady Putters** (VP & President) for multiple years. A great club that is still meeting every Wednesday morning a Grandview Golf Course.

**Water Fitness** (Treasurer, VP & President) for multiple years. When I joined we had 2 audio recorded tapes, during my tenure we developed 2 new tapes and implemented them into our weekly routine.

**Posse** (Assistant to the Treasurer) for several years primarily during fund raising in the Treasury/Finance department. Recording donations, making bank deposits, processing approved payments.

**TORCH** (Committee Member) for the past 3 years, working with each new class and the Committee to provide residents with a better understanding of our resources and heritage.

**Sun City West Witches Ride** (Treasurer) together with an outstanding team, reorganized the Witches Ride that had been cancelled and successfully delivered not only an exceptional event for the residents, but also raised in excess of \$15K two years in a row.
