---

5

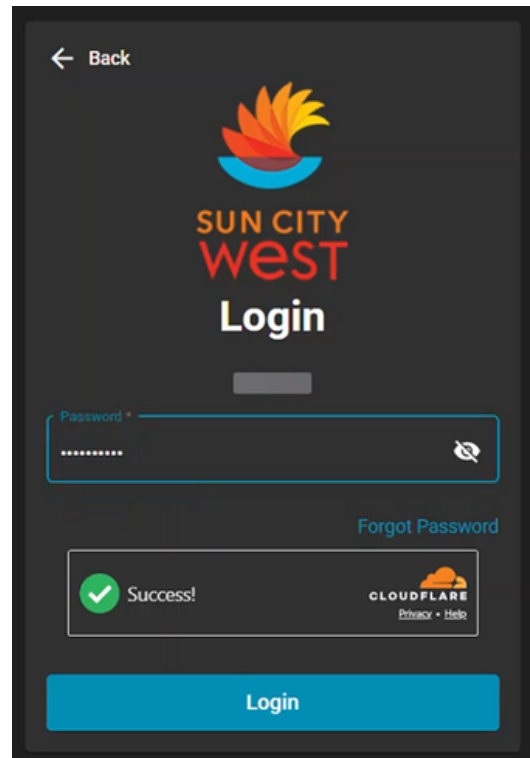

Create a new password for your account and then click "Create New Password"

The screenshot shows a dark-themed mobile interface for creating a new password. At the top, it says "Create New Password" and "Please set a new password". There are three input fields: "Email Address or Member ID \*", "New Password \*", and "Confirm New Password \*". Below the fields is a success message with a green checkmark and the text "Success!". To the right of the success message is the Cloudflare logo and "Privacy • Help". At the bottom, there is a blue button labeled "Create New Password" and two links: "Back to Login" and "Register".

6

You'll then be redirected to the log in page where you can log into the new member portal with your new password.

The screenshot shows a dark-themed mobile interface for logging in. At the top left, there is a "Back" button. In the center, there is the Sun City West logo and the text "SUN CITY WEST Login". Below the logo is a "Password \*" input field with a toggle icon. To the right of the input field is a link for "Forgot Password". Below the input field is a success message with a green checkmark and the text "Success!". To the right of the success message is the Cloudflare logo and "Privacy • Help". At the bottom, there is a blue button labeled "Login".
